

# AVAILABLE BULLS

As of July 2010

The following is a list of bulls AMSS is aware of with semen available. The bulls are listed under the contact information for the firm that has semen for sale. The list includes the name of the bull, his sire, dam and name of the maternal grandsire. For proven dairy bulls the Predicted Transmitting Ability (PTA) is listed; young bulls have Parent Averages (PA) listed where possible. There are a few exceptions noted below.
