What does it mean to be a steward of the Ayrshire breed? In general terms, a person who is a steward is someone who is a caregiver of something, whether it's financial, organizational, or managing others. To be a steward of the Ayrshire breed involves all of these qualities and more.

One way to be a steward of the Ayrshire breed is to cultivate and develop high-production pedigreed cows. The Ayrshire Breeders' Association annually recognizes those who make achievements in breeding and developing production leaders. I often wonder about the background stories of these high performing cows, like what criteria the breeder put into the mating, and more. In this issue, we're introducing a new column called "Pedigree Profiles" where we'll dig a little deeper into the back-

## Executive Director's Column . . .

grounds of elite performers and other interesting cows. Let us know if you have cows you'd like featured as we go forward.

Selling your best genetics is another way to identify as a steward of the breed. There have been many successful sales over the last couple of years, and many new buyers have been introduced to the Ayrshire breed. Please go the extra mile and reach out to these new Ayrshire owners. Ask if they have questions, and make sure they know the resources that are available to them. These small measures will keep them interested and excited about the breed.

Providing youth with opportunities to learn and grow with Ayrshires is yet another way to be a steward of the breed. There are fantastic examples across the country on ways to introduce young people to the breed. What can you do in your local area?

Participating in the exchange of data is so important to our breed, and takes diligence to be a steward in this area. We know there is only so much time in the day, yet we urge you to go the extra mile in protecting our collective investment in the Ayrshire breed. Make sure the data you're contributing is correct and timely. Without accurate data, it's very difficult to be competitive in today's dairy industry.

Showing enthusiasm for the Ayrshire breed as a whole, and your own animals, is a fantastic way to be a great steward of the breed. First impressions matter, and the sky

is the limit on ways to express your passion for the breed. We've added another new column in this issue called "Enthusiasm in the Ayr" to highlight interesting people who are giving of themselves to better the breed. I'll look forward to hearing from many of you with feature ideas for this column.

Last, and certainly not least, a good steward is open minded and is willing to participate at all levels (locally, state-wide and nationally). He or she understands and supports the concept that there are varieties of opportunities to participate in this breed for all who love the Ayrshire cow. We all have our own pathway to success, and we must appreciate our differences to continue to make progress.

If I can be of assistance in your Ayrshire journey, please don't hesitate to reach out. ■

Unpredictability comes with the territory when you are a farmer. However, risk management could make your dairy more profitable. For generations, dairy producers have found themselves on a roller coaster of up and down prices. Over the years, more opportunities to minimize risk and lock in prices have become more available to farmers. However, it is up to the individual farmer to make decisions that will minimize the risks and make their farms more stable thus more profitable.

The U.S.D.A.'s (United States Department of Agriculture) crop insurance program can reduce risk substantially on both crops and milk. Milk production bares a closer look. Many farmers sign up for the \$5. (Five dollar) level of the DMC (Dairy Margin Coverage) program. Many dairymen are also using DRP (Dairy Revenue Protection) as well. It is extremely important to have a firm grip on the farm's financials before creating a risk management plan in order to receive the maximum benefit.

The first thing with any strategy is know-

## The President's Message . . .

### ***Risk Management***

ing your cost of production. The farmer must know what money is needed to protect the break even point for their operation. Knowing the cost of production is good for multiple reasons, especially if you are planning to create a risk management program. If you know the weaknesses of your operation it will allow you to find opportunities to create strengths. Producers need to make the best choices which are best for their own dairy operation.

With prices high for dairy, it is a good time to lock in prices. Price fluctuation is a given. Risk management can and should be part of a farmer's portfolio. The economy has been and will go up and down, politics can change things quickly, and of course, a global pandemic changes everything.

Experts recommend when making a risk management plan to start small and work into it. Most plans should focus on both production and inputs. Many large milk cooperatives have programs to lock in a price for a dairymen's milk. Class 3 (three) contracts on the CME (Chicago Mercantile Exchange) are for 200,000 lbs, (two hundred thousand pounds) for a given month. The contract expires at the end of the month if not sold before the month ends. Milk has had great volatility in recent times, often moving as much as \$4 (four dollars) in the life of a contract. On the up side, many companies offer the chance to lock in a high price. Corn and soybeans are the commodities that are most closely aligned with feed imputes. If farms purchase large amounts of corn meal or soy meal, price management could have a huge impact on a farm's bottom line.

Some farms use a large amount of diesel fuel. If this is the case for your farm, then hedging the price of fuel may be an impute that is most important for your farm profitability. Home heating oil is the futures contact that is most aligned with diesel fuel.

In the end, it has to be the farmer's decision. A decision that each individual farmer needs to be comfortable with. Seeking out advisers impute and getting advice from objective experts is a good strategy as well. However, each farmer knows the game plan that works best for his or her operation. ■

My Best to all of You,

*Tom Gillette*

## PRESIDENT'S CORNER . . .

Whoa! Where did the summer go?

By the time you read this article, many of you will have received information about a policy change that was approved in June. As a reminder, the new policy states:

*Calves born beginning June 1, 2024, with an EXP sire and an EXP dam will be assigned to the GE herdbook level. Embryos created after August 31, 2023, from an EXP sire and an EXP dam will be assigned to the GE level at birth. The embryo date corresponds approximately to the date that breedings would occur to create June 1, 2024, offspring. Embryos created prior to that date fall under the old policy and maintain the EXP status.*

This change will only affect the mating of EXP x EXP. You will still be able to show Full Herdbook and EXP animals. The board is not looking to be at 100% or lose the gains that have been made over the years. Milk and components are very important to the Milking Shorthorn breed as well as longevity and durability. The Milking Shorthorn purity is also important to the red, white, and roan.

In 2023, *The Angle* publication will be produced four times a year; likely once each

quarter. The first issue in 2023 will be the All-American issue. Entries for the contest are due in November, so don't forget to have professional pictures taken throughout the show season. We continue to work with the Ayrshire Breed Association to continually improve the publication.

Our national shows are upon us. I wish everyone a successful show season. Keep promoting the red, white, and roan.

*Marcia Clark*

### THE AMSS IS TRYING TO CATCH UP ON GENOMICS TESTING!

If you registered a bull in the last two to three years and didn't genomics test him, please contact the national office, Marcia Clark, Susan Lee, or Michelle Upchurch to get this process underway.

## FROM THE EXECUTIVE SECRETARY . . .

As I write this article, I know kids are headed back to school, corn is being chopped and the leaves are beginning to turn. Fall is upon us. This only means one thing: World Dairy Expo is here.

Whether this year will be your first visit to World Dairy Expo, or if you have been attending for many years, the feeling is the same. For several days we get to experience the best cows and the latest technology. However, more importantly we have the chance to catch up with friends. This year I will experience World Dairy Expo on a whole new level, with a different set of lenses, and a new perspective. I am really looking forward to the experience.

I am excited to share that Rob Kite, from the UK, will be judging the Eastern National Show in Harrisburg! He will then spend time traveling to various farms throughout the country. He will end his trip in Madison at World Dairy Expo. I am sure many of you will get a chance to meet him and talk about Milking Shorthorns.

During my time in Madison, I will be working the AMSS booth, and working ringside for the International Milking Shorthorn show. The booth at Expo will have some great giveaways. Please do stop by and visit with Kathy. While much of my time will be spent working, I will visit the barns to meet with and greet our members and breeders. I truly value listening to every perspective.

Finally, I want to share some information regarding DNA and Genomics:

### DNA and Genomics are processed at TWO separate labs.

- If you have received a DNA kit from AMSS, please get the samples sent in so we can get results back as soon as possible.
- If you have requested a DNA kit from AMSS and you have not received your

kit, please reach out and we will get another one sent.

- It can take up to TWO months for results to get back to AMSS.
- To register a bull, both DNA and Genomics testing MUST be completed.
- If you are doing both tests (DNA and Genomics), TWO separate hair samples need to be sent (one to each lab).
- For Genomics, all information must be completed on the form and hair must be labeled with requested information.
- Please make sure the hair is clean.

Safe travels and the best of luck to all our exhibitors. Let us all continue to embrace the red, white, and roan. ■

*Kate Gulley*

*"Breeding for Tomorrow"*

**AMSS**  
AMERICAN MILKING SHORTHORN SOCIETY

**DNA & GENOMICS TESTING**

takes at least a month from the time hair is received at each lab.  
Each test is conducted at a separate lab, which is why two hair samples must be submitted. For more information, email [amssgenetics@milkingshorthorn.com](mailto:amssgenetics@milkingshorthorn.com)  
or [executive-secretary@milkingshorthorn.com](mailto:executive-secretary@milkingshorthorn.com)

**Mission Statement:** To recognize and welcome the diversity of the Milking Shorthorn as a unique feature of our breed, distinguishing it from all other breeds in the United States. To encourage each breeder to use all the Society programs which will benefit them individually and respect the rights of other breeders to have a different goal and to use different programs. To administer the Society to effectively use the information generated by the breeders to aggressively market our breed.

As fall is slowly upon us, so is my favorite holiday - Halloween. I always appreciate an unexpected scare during this time of the year. Just as fall is approaching so is the International and the North American International Milking Shorthorn Shows. It is important that you prepare everything, so in return, nothing unexpected will happen to you.

The National Junior Show Rules, Youth Lease Program Application, Alternate Leads Person Form, PDCA Showmanship Evaluation, and other guidelines can be found on the Milking Shorthorn website ([milkingshorthorn.com](http://milkingshorthorn.com)). Please use the forms as needed.

These national shows provide a lot of public attendance. It is important to show your manners, answer questions from the public, and be kind. Not only are we representing the future of the Milking Shorthorn breed, but the future of our dairy industry. *Good luck to all Juniors!*

As I write this article, my mother and I have just finished booking our travel plans to attend the junior show of the Northeast National and the open show of the All-American Milking Shorthorn Show. However, I know that when you read this article, both of these shows might have already occurred!

Today, I am looking forward to the times at these shows because of the first-hand experiences I will have, not only personal, but as your first-time AMSS Ambassador.

Not only will this be my first time attending the Northeast National and the All-American National Milking Shorthorn Show, but I will be attending as a representative of our breed. I never thought I would travel east to attend these shows, but now I have the perfect reason! I am most excited to pass out my first ribbon at the junior show and look at the freshly clipped Shorthorns with a great view. Attending these shows will be an experience to remember.

The national show season is approaching and the excitement of it all is only adding to my joy for the breed. I am looking forward to seeing new and current juniors at the national shows.

*Respectfully submitted,  
Jack P. Achen*

### OWEN HALPIN | SHELDON, ILLINOIS

family operates Halpin Farms.

Owen is involved in the Milford Sugar-creek 4-H Club, the Milford FFA chapter, as well as the Milford High School National Honors Society. Owen enjoys showing cattle and has an interest in farming. When Owen isn't in the show ring, his hobbies include golf and baseball.

Owen's favorite memory involving cows is when he won showmanship at NAILE last year! Plus, the same heifer used for his big win in the showmanship class was Junior Champion at the national convention this year.

Owen is thankful for the relationships that he has made with the Milking Shorthorn breed of cattle!

Owen Halpin, 17, of Sheldon, IL is our feature junior member. He attends Milford High School. His parents are Mike and Melissa Halpin and he has a brother, Colt. His

## *A Believer in* **BOTH BREEDS**

### ***Endres enjoys bevy of Ayrshire, Milking Shorthorn success***

By Danielle Nauman

REEDSBURG, Wis. - Growing up a Holstein kid, Tyler Endres decided to look for something different. He found that something in the Ayrshire and Milking Shorthorn breeds and quickly found an affinity for each breed.

Endres began clipping at a fairly young age and started working as a fitter when he was 16 years old, booking ten years of experience under his belt. Working shows and sales gave him increased exposure to all the different breeds of dairy cattle, and he said he became intrigued early on with the Ayrshire and Milking Shorthorn breeds in particular.

"I was lucky to spend time working with some pretty good animals of all the different breeds, but I worked some really good Ayrshires and Milking Shorthorns early on. I came to respect those breeds enough to want to make the investment in them," Endres said. "I had some early

success with my first Ayrshire and Milking Shorthorn purchases and that made working with those breeds something I wanted to continue pursuing."

Today Endres owns 5 head of Ayrshires and 25 Milking Shorthorns, in various partnerships. With his parents, Kevin and Heidi, the Endres family milks about 50 cows, and have at least one cow of each of the seven breeds in the their barn. They board about 25 head for various clients.

Since those initial forays into the two breeds, Endres has amassed over a dozen All-American and Junior All-American nominations in each of the two breeds.

"Both the Ayrshire and Milking Shorthorn breeders have been very helpful and supportive of us entering the breed as new breeders," Endres said. "They are easy to ask questions of and to turn to for advice."

Endres credits Kurt Wolf as being a great mentor for all things Ayrshire; while he says Keith and Donette Fischer and Larry Landsgard have been solid mentors for him as an aspiring Milking Shorthorn breeder.

"I learned a lot about the breed early on working with Keith and Donette," Endres said. "And Larry has been a great mentor and partner as well."

Endres' initial Ayrshire purchase was a young spring calf that he saw while working at the Wisconsin State Ayrshire Show in Marshfield.

"Kurt Wolf had a really pretty little March calf. She wasn't really big enough, but boy was she nice," Endres recalled. "I asked for a price and thought it was reasonable and bought her for my sister to show."

That pretty little March calf was Old-N-Lazy Gibbs Morgan, now scored EX-94-2E. A daughter of Sharwards Calimero Megan EX-94-3E, Endres believed that Morgan was bred for show ring success. After placing 2nd in that state show March calf class, Morgan went on to be nominated All-American and Junior All-American in 2015, as well as being the honorable mention Junior All-American Spring Yearling the following year. Morgan was successful in milking form as well, claiming an All-American nomination in the four-year-old class in 2019, as well as being named the Junior All-American Four Year Old after being the Grand Champion of the International Junior Ayrshire Show. Morgan was named the Reserve Junior All-American the honorable mention All-American in the five-year-old class in 2020.

In her own right Morgan proved herself as a transmitter when her daughter KNH-Endres Burdette Mayhem, who later scored Excellent for the Bruchey family of Maryland, was selected as the Junior Champion of the 2018 International Ayrshire Show and later named the unanimous All-American Summer Yearling.

Other highlights of Endres' career as an Ayrshire breeder include Lazy M Distinct Lanie, who scored VG-89 as a two-year-old, who was the Reserve Junior

Champion of the 2018 International Junior Ayrshire Show. She wrapped up the year being named the Reserve All-American and Unanimous Junior All-American Fall Yearling.

While Endres entered the Ayrshire business with a fancy show calf, he entered the Milking Shorthorn business with the purchase of a foundation brood cow, Mi-San Acres Othello Lulu EX-91-2E, the 2010 All-American milking yearling. Lulu is a Kuszmar Alfairs Othello daughter of the prolific brood cow Mi-San Acres Lola EX92-3E, a two-time All-American winner herself.

"Lulu has turned out to be a great investment," Tyler said. "She consistently makes good daughters that do well in the show ring and are marketable."

Lulu's most outstanding daughter is the four-time All-American KNH-Endres Zeus Legendary EX-92-2E. Legendary was named unanimous All-American in 2017 as a fall calf after being named Junior Champion at World Dairy Expo. She again garnered a unanimous All-American selection in 2018 as a fall yearling, after being named Reserve Junior Champion at Expo. Her third unanimous All-American vote came in 2019 after winning the senior two-year-old class at Expo. She was also named the All-American senior three-year-old following the limited 2020 show season.

Another recent standout in Endres' small herd of Milking Shorthorns is Molehill Lottery Caliente EX-92-2E, who he

owns in partnership with Mike Gregory of Hebron, Illinois. Caliente has twice been named a unanimous All-American selection, in 2020 as a junior three-year-old and in 2021 as a four-year-old.

As the 2022 show season begins to ramp up, Endres is excited for what the fall might bring in terms of show ring success.

"My parents and I own a fall calf with Larry Landsgard, Lands-Brook KnH Zeus Chilli Pepper, that was named Supreme Junior Champion at the Iowa State Fair in August," Endres said. "We are very excited to see what the future might hold for her."

Chilli Pepper is the result of a friendship that grew into a partnership between Endres and Landsgard.

"When he sold his cows, Larry had a few cows he wanted to hang on to," Endres said. "Chilli Pepper's mother was one of them. She is one of the earliest calves we have bred as partners. She has a really cool pedigree."

Chilli Pepper is a Purple Idalee RR Zeus from an EX92 Kuszmar Megadeth daughter of Lands-Brook Chippewa EX-93-4E.

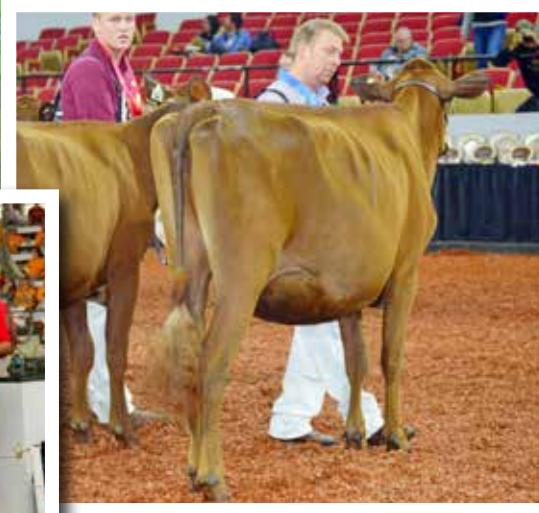

After working with both the Ayrshire and Milking Shorthorn breeds for the last several years, Endres said he is a convert and a believer in the positives that both breeds possess.

"Both breeds are very hardy," Endres said, explaining why he appreciates each breed. "The calves hit the ground and are very aggressive. They adapt well and they just suit us really well. The cows breed back consistently. They are just healthy animals and relatively trouble-free."

*Upper Left: Old-Bankston Gibbs Morgan, exhibited by Mikayla Endres, was named the Grand Champion of the International Junior Ayrshire Show in 2019. Morgan was the first Ayrshire purchased by Tyler Endres, as a calf.*

# ENTHUSIASM

## In The Ayr

Dan Carpenter:  
*The background behind this Facebook personality*

The Ayrshire community relies heavily on those who are committed to dedicating their time and efforts to promoting and ensuring the viability of the Ayrshire breed in the dairy industry. Mr. Dan Carpenter does just that. Dan and his wife Sandy own around 20 Ayrshire cows in Dansville, Michigan, and have been invested with the breed since 1998.

While Dan and his family have been involved with Ayrshires for over 20 years, he was looking for a new way to connect with other Ayrshire enthusiasts and to learn more about the breed. So, he did a simple Facebook search and came upon the 'US Ayrshire Breeders' group. He noticed that the group had not been active for a long period of time and realized there was an opportunity for him to reactivate the group. He reached out to the Facebook corporation, and they informed him that the group was in need of an administrator. Dan happily accepted their invitation to take on this duty.

Upon accepting his new role as the administrator for the US Ayrshire Breeders page, Dan said his initial goal for the group was to make it "as active and profitable for breeders and the breed as possible." Because of his efforts, it has grown rapidly and currently has over 2,500 members who are always keeping up with what Dan is sharing to the community. Although the group has grown, Dan's goals for the community have

**Dan and Sandy Carpenter**

stayed relatively the same. "I try to make the US Ayrshire Breeders group a one-stop source for all information pertinent to Ayrshire breeders in the United States. I try to keep the community informed about auctions, shows, new information, and anything else that may pertain to the breed. I'm sure I don't always find everything, but I post as much as I can find. I also welcome 'heads up' and posts from other members, as I can't find everything," he states.

Dan says we might be surprised to know how little time he spends each week dedicated solely to this Facebook group. He says, "Mostly I just copy things as I check Facebook during free minutes here and there throughout the day. I try to keep a close watch on the goings-on in the breed for my own knowledge, and I just pass that on to the group."

Dan has taken interest in the personal viewpoints people have on a multitude of subjects. "One of the big attitudes I've been watching is the attitude towards percentage animals. It seems to have gone from widespread rejection to broad (though certainly not universal) acceptance," he says. "I'm also watching an apparent push towards larger cows. (I'm hoping this trend reverses as studies seem to be showing that moderately sized cows are more efficient in the feed-to-milk conversion.)

The haplotype trends have been interesting (from "bah!", to rejection of any carrier bull, to grudging tolerance... if the bull is otherwise good enough), and similarly the fishy off flavor gene seems to be losing some of its stigma. I'm waiting to see how the curly calf trait plays out next."

In addition to managing his Ayrshire herd and being the administrator of the US Ayrshire Breeders Facebook group, Dan also works as a biology teacher at a small high school in his area. Dan uses Ayrshires frequently in the classroom on many topics. "I use them to illustrate genetics (horned vs polled), hormones (oxytocin, GnRH, FSH, etc.), cryogenics, in vitro fertilization, surrogate mothers, peristalsis, ELISA & PCR testing, genomics, etc."

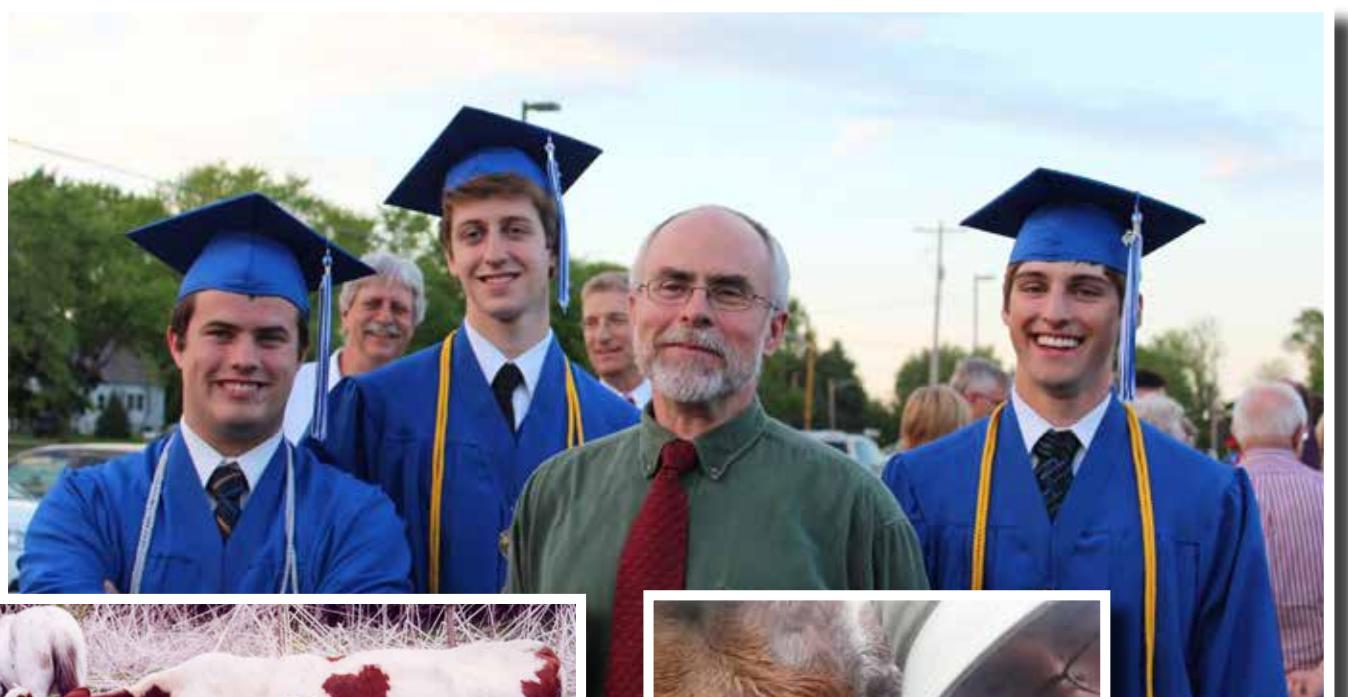

Having a background in biology, he has taken a strong interest in the genetics of the Ayrshire breed. "I have always had an interest in genetics and plant/animal breeding. As rarer traits such as polled and A2 have increased in desirability, I have been motivated to increase those traits in my herd. My ultimate goal is to produce a polled bull that makes it into commercial AI," Dan ex-

plains. When it comes to the genetics that he uses in his own herd, "We emphasize purebred, polled, A2, cheese proteins and components in our breeding. Since these traits are not all commonly found in available bulls, we buy Very Good and Excellent outside cows as opportunity allows, and use our own bulls on them. All our animals get genomic tests, so we are able to avoid haplotypes as much as available sires meeting our other criteria will allow."

Dan says he is learning more about the breed every day. "It would be hard to list everything I have learned about Ayrshires from the Facebook community," he says. "I've gotten a lot of history and pedigree information, but perhaps the most important thing I gain from the community is a feeling for current attitudes and viewpoints towards traits, blood lines, policies, etc."

Something interesting that not many of Dan's Ayrshire friends know is that he almost never got involved with the breed. "I had always thought that if I ever had cows, I would want Brown Swiss...until my cow opportunity came with an Ayrshire...then I never looked back at Brown Swiss." That opportunity came in 1998. Dan's father offered a deal to a retired dairy farmer on his behalf – a tractor for a polled Ayrshire cow and a winter's worth of hay. The cow's name was Hillary, after then First Lady Hillary Clinton.

With his dedication to providing information and educational opportunities for the Ayrshire breed on Facebook, Dan Carpenter is truly keeping 'Enthusiasm in the Ayr'.

# PEDIGREE PROFILES

## SUNNY-ACRES GM KURIOSITY & SUNNY-ACRES LL KYLIE

**Sunny-Acres GM Kuriosity**  
*Bred & Owned by Douglas Evans,  
 Georgetown, NY*  
*Winner of the 2021 Rodriguez &  
 Skiff Memorial Trophy (based on the  
 highest actual 305-day milk record  
 completed in the calendar year)*

Kuriosity's family line in the Sunny-Acres herd began in 2004 when her great-granddam, Stillmore BBBK Klassy, was purchased in the World Ayrshire Event at World Dairy Expo. Doug Evans remembers this purchase vividly, saying "Klassy was the second-place fall calf that year at World Dairy Expo, and we bought her for \$4,000. We loved that pedigree."

Klassy proved to be a wise purchase! She went on to make her highest lactation of 6-09 365D 28,550M 3.8% 1078F 3.5% 1001P and a final classification of Excellent-94 2E at 5-10. She had seven daughters and three sons. She was Res. All-American Fall Calf in 2004, Res. All-American Fall Yearling in 2005, HM All-American Sr. 2-year-old in 2006, Res. All-American Sr. 3-year-old in 2007, Nom. All-American 5-year-old in 2009 and Res. All-American Aged Cow in 2010.

Evans said the next generation "Really turned it on!" Kuriosity's grand-dam, Sunny-Acres Rattler's Kacie, is Excellent-94 and sired by Covey-P&A Conn Rattler-ET. Kacie's best record was 3-11 349D 27,770M 4.2% 1168F 3.0% 846P. She has an impressive three Unan. All-American titles!

The dam, Sunny-Acres HR Klassic, is Excellent-92 2E and sired by Faucher Homerun-ET. Her best record was 2-10 311D 19,500M 3.6% 703F 3.2% 632P. Doug remembers choosing "Homerun" specifically in this mating because he saw his dam, Opa, in Canada and was impressed with her. He thought that pedigree would complement Rattler Kacie.

Sunny-Acres GM Kuriosity is an EX-91 daughter of Palmyra Reality G-Man-ET, who is a full brother of Palmyra Reality Gibbs-ET at Select Sires. The impressive record putting Kuriosity into the limelight is 4-05 365D 44,900M 3.5% 1567F 3.1% 1386P. "I knew she had it in her," explains Evans. "She's a massive framed cow. We've

combined some great cow families in this mating. She's an unbelievable eater, and she's an easy cow to take care of."

The mating for "Kuriosity" was one Doug said he put some thought into. "Klassic" was a big framed cow, and he wanted to add more milk. He had been to Lloyd Machin's farm and saw "G-Man" in person. Doug remembers thinking maybe this would be the "golden" cross, bringing more production to this beautifully framed cow.

Kuriosity's first daughter, Sunny-Acres BKing Koincidence, was sold in the 2019 Pennsylvania Spring Sale to the Heeter Family of Shade Gap, PA. "Koincidence" has done well for her new owners, and is now classified Excellent-91. She was Unan. All-American summer yearling in 2019, Res. Jr. All-American Jr. 2-year-old in 2020, and most recently Res. Jr. All-American Jr. 3-year-old in 2021.

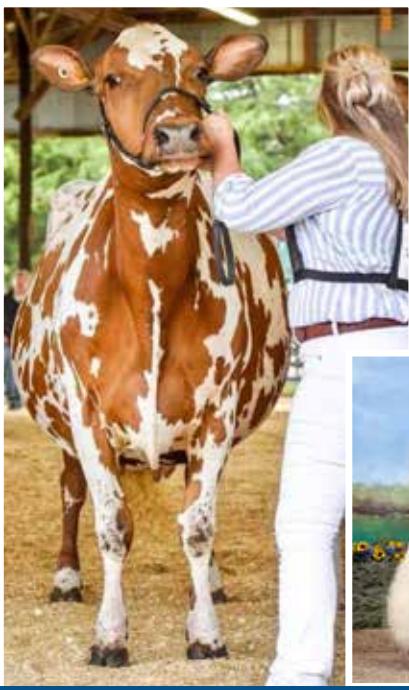

**Sunny-Acres LL Kylie**  
*Bred and owned by Gregory Evans,  
 Georgetown, NY*  
*Winner of the 2021 Living Lifetime  
 Production Award (based on the  
 highest lifetime milk production  
 with the most recent lactation completed  
 in the calendar year)*

Sunny-Acres LL Kylie is an Excellent-92 2E daughter of Libby's Lochinvar. Kylie's high record is 9-02 365D 39,600M 3.8% 1519F 2.7% 1061P and lifetime totals of 228,880M 3.5% 7926F 2.9% 6526P in 2,643 days. She was one of the first Lochinvar daughters to be on test. Evans describes her saying, "Kylie is dairy, has strength and has the will to milk. We wish she had higher components. She's a consistent breeder and is trouble free. Her daughters have excellent udders."

Her dam, Sunny-Acres Master Kendra, is Excellent-93 3E, and sired by Lone Birch Masterpiece. Her highest lactation was 6-03 365D 31,540M 3.7% 1182F 3.0% 954P. The next dam is a Very Good "Brendan" with records to 3-08 334D 24,180M 3.7% 893F 3.3% 808P.

"Kylie" is a special cow to the Evans Family as she descends from their favorite cow family, Bonnie Brae Kineta. Evans says over 80% of their herd goes back to her. Bonnie Brae Kineta was purchased in 1985 at the Ayrshire Canada national sale. Doug fondly remembers her saying, "She was a prolific cow and made lots of embryos. She was very dairy and had a lot of "Jade" and "Jaye" daughters." "Kineta" had an incredible 32 registered offspring. She was Excellent-93 4E, had a high lactation of 13-01 365D 27,730M 3.9% 1094F 2.8% 786P and 201,386M 3.8% 7648F 3.1% 6184P lifetime.

**2021 Living Lifetime Production Winner**

**Bonnie Brae Kineta, EX-93 4E**  
**Matriarch of Kylie's Family**

**Sunny-Acres Harmony's Kennedy, EX-94 4E**  
**Kylie's Family Member**

A recent recognizable member of this cow family is Sunny-Acres Harmony's Kennedy, Excellent-94 4E. "Kennedy" had a high lactation of 7-03 365D 32,310M 3.9% 1272F 2.9% 943P. She has numerous All-American and Jr. All-American accolades to her name.

**Beyond The Pedigrees**

The Sunny-Acres cows live in a commercial environment where quality feed and cow comfort are key.

The herd is managed by Greg Evans. The

cows' diets consist of TMR, corn silage, haylage and custom grain mixed in. There is no individual feeding. Dry cows receive hay and corn silage, and transition minerals are introduced before calving. They are housed in free stalls and milked twice daily.

As a practicing veterinarian, Doug Evans notices and compares many things in the herds he services. He says that if all is equal for cow comfort, feed quality, etc., the Ayrshire breed seems to have less problems compared to other breeds. The Ayrshire has

stronger udder ligaments, minimal calving complications, and a greater will to eat. He says, "The Ayrshire cow can hold her own in the dairy industry."

Evans sums up the family's philosophy saying, "We breed for type and feed for production. We look at traits for udders, feet and legs, capacity and strength. They don't have to be the tallest. Our show cows milk, and we milk our show cows. If you breed them right, and feed them right, Ayrshires are highly profitable."

# HIGH DHIR LACTATIONS

May 2022 to August 2022

The published 'high' lactations are those 305-day lactations with either Milk, Fat, or Protein values at least 25% higher than last years averages.

# FOUR EYES ARE BETTER THAN TWO

*Sparrow, Fry team up to place WDE Milking Shorthorn Show*

***The winning team of Joe Sparrow and Matt Fry will sort the Milking Shorthorns at World Dairy Expo. Both were members of the Virginia Tech team that won the National Intercollegiate Dairy Judging Contest in 2006.***

**By Danielle Nauman**

When Joe Sparrow and Matt Fry don their tuxedos the first week of October and step onto the colored shavings in the coliseum at the Alliant Energy Center they will be perusing the offering of Milking Shorthorns with fresh eyes.

"The last time I judged Milking Shorthorns was in the collegiate contest in 2006," said Sparrow. "This is going to be fun! The breed has made so much progress, and I have admired what they have done."

Sparrow and his family operate Fairdale Farms in Owenton, Kentucky, where they milk 40 head of registered Brown Swiss. Sparrow resides in Frankfort, Kentucky where he works as a nutritionist for CPC Commodities, a position he has held for the past 12 years.

The 2022 International Milking Shorthorn Show will mark Sparrow's third appearance in the center of the ring at World Dairy Expo, and his second as a lead judge. He will be joined by his close friend Matt Fry of Chestertown, Maryland, serving as the association judge, who will be making his first appearance on the colored shavings. Fry and his family operate Fair Hill Farm, where they milk Holsteins

"It is very important to me to have

an associate who has the ability to look at cows and break them down in a short amount of time; to make decisions and give an unbiased opinion," Sparrow said. "Matt is that person, to do all those things."

Sparrow and Fry have a long history of friendship, having been college roommates. Both were members of the Virginia Tech team that won the National Intercollegiate Dairy Judging Contest in 2006.

Sparrow relies on his own experience serving as Richard Hill's associate during the 2013 International Brown Swiss Show.

"I really use how Rich treated me as a model for choosing an associate," Sparrow said. "Rich asked for my input, and heard everything I said. He may not have always agreed, but he listened to me. That is how I treat the associates I have had. Having that extra set of eyes is the key to doing it right. It is only human that we might miss something, some little detail, and four eyes are always better than two. It's important to

me as the judge, and to the exhibitors."

When it comes to evaluating the animals presented before him, Sparrow knows exactly what he will be looking for, and he is confident he will not be disappointed.

"I'll be looking for the good ones," Sparrow said. "It all starts with the udder, and then something to go along with that. I like sound, functional feet and legs. I like style and balance, combined with dairy strength. I am really just looking for that complete cow."

"I think it is crucial to give new judges a leg up, the opportunity to get started," Sparrow said. "I really hadn't done a ton of judging before Rich asked me to be his associate, and then the jobs started coming in. It really got my judging career started. Having that new blood, the new ideas in judging is crucial, and I take that into account when selecting an associate."

# PASSION FOR EVALUATING GOOD COWS

*Ryan, Bue ready to place WDE Ayrshire Show*

**Chad Ryan and Mandi Bue will be on the colored shavings to evaluate the International Ayrshire Show at World Dairy Expo. They have plenty of experience at the Big Dance and are thrilled for the chance to sort one of the best Ayrshire shows in the country.**

**By Danielle Nauman**

**W**hen the Ayrshires take the ring at World Dairy Expo on October 5, Chad Ryan of Fond du Lac, Wisconsin will be in the center of the ring ready to sort through the offering the exhibitors bring to the floor of the Veterans Memorial Coliseum. Ryan will be joined by his associate, Mandi Bue of Freedom, Wisconsin. “Judging at Expo is a whole different feeling, the aura of being on the colored shavings,” Ryan said. “There is a rush, the hype and the adrenaline. Every time you get the opportunity to judge at Expo, it is a memorable occasion.”

Ryan will be donning a tuxedo for the sixth time when he officiates the International Ayrshire Show this year. He has served as the official judge for the Jersey show in 2021, the Holstein show in 2019, the Red and White show in 2017, the Junior Holstein show in 2015, and as the Ayrshire associate in 2013. “I really admire the Ayrshire breed,” Ryan said. “It certainly will be another great show.”

As a long-time WDE exhibitor himself, Ryan can relate the importance the show plays for each exhibitor. “It is something we take with extreme seriousness as exhibitors,” Ryan said. “I know first-hand everything involved to get to the colored shavings, what happens the other 363 days of the year: the time, the money, the sweat and the tears. Whether it is one animal or a whole string, it’s an investment.”

The Ryan family has invested in a few Ayrshire heifers and exhibited in their first International Ayrshire Show last fall. “I am really enjoying being involved in new breeds and getting to know those breeders,” Ryan said. “My kids have been drawn to the colored breeds and that has been a great fit for our family.”

The Ryans recently sold the majority of their milking herd, keeping about

15 to 20 cows that they board at various facilities. They also kept all of their young-stock, keeping about 12 to 15 heifers on a show program at any given time.

Judging has been a part of Ryan’s life since his earliest days of 4-H, competing on the Fond du Lac County 4-H teams. Ryan continues to serve as a coach for the Fond du Lac County 4-H dairy judging program, helping to create the next generation of dairy cattle show judges.

Ryan has judged shows of every level throughout the United States and will be judging for the first time in Canada in November when he will be charged with placing the TD 4-H Canadian Dairy Classic.

When it comes to choosing an associate, Ryan said it puts a lot of thought into who he would like to have join him in the center of the ring. “You always want an associate who you are comfortable with, someone you know will give you their honest and unbiased opinion,” Ryan said. “Most importantly you want someone who knows the really good ones, who has worked with them, bred them, cared for them and exhibited them. To me it is important to pick someone who really deserves that opportunity to be out in the middle of the ring at Expo.”

For Ryan, Bue checks all the boxes. “I have always had an immense respect for Mandi’s talents,” Ryan said. “She is a great judge and deserves the opportunity to judge on the colored shavings.”

Bue, who grew up on her family’s dairy farm near Baraboo, Wisconsin, has worked with top-of-the-line show animals for most of her adult life and currently serves as the young stock manager at Milk-source Genetics in Kaukauna, Wisconsin. “I am so excited to have the chance for a different view of the big dance,” Bue said. “I am so grateful for the opportunity to judge at Expo. Chad has always been a good friend

and a great mentor for me, and for him to choose me to join him to judge at Expo, for the merit of my skills, is an amazing honor.”

Like Ryan, Bue grew up participating in the 4-H judging program and credits her 4-H judging coaches Jay and Heather Jauquet and Mike Holschbach for helping her build a solid foundation for something she would come to love doing. “Jay, Heather and Mike have all been very influential in igniting the passion for this industry that has grown throughout my life,” Bue said.

Bue said she continues to learn, every time she gets the opportunity to judge a show. “The more shows I judge, the more I learn,” Bue said. “Judging has really allowed me to change and better shape the way I raise my heifers. I have learned more about the kind of animal I want to see.”

When she sorts through a show, Bue said she most enjoys placing the junior and senior best three females classes. “Those classes are a display of a breeder’s hard work and as a breeder I put a lot of weight on those classes,” Bue said.

The most memorable show that Bue has judged to date is a show she describes as being one where she fell in love. “I will never forget judging the Wisconsin Holstein Futurity in 2019, when I first saw Floydholm MC Emoji,” Bue said. “My heart just stopped, and it was love at first sight. Emoji turned out to not just be a cow for me, she turned out to be an incredible opportunity, and some awesome friendships were built from her.”

As an exhibitor herself, Bue understands what is at stake for each person that sends an animal to the ring at WDE. “Being asked to judge is the ultimate honor and not something I will ever take for granted,” Bue said. “I love being able to stand back and appreciate the cows and the work of the exhibitors and do what I love: analyze and evaluate good cows.”

## BOARD OF DIRECTORS MEETING

**July 26, 2022**

Present: Marcia Clark, Kylie Preisinger, Matt Henkes, Joanna Landrum, Katie Agnew, Eddie Hartfield, Larry Landsgard, Michelle Upchurch, Darren Ropp, Adam Luchterhand, Jerry Merrill. Absent: Allen Hess

Meeting was called to order at 7:21pm CDT by President, Marcia Clark.

Kate Gulley gave an update.

Discussion about *The Angle*.

It was decided to send a mailing to all members to better explain the EXP X EXP-GE decision by the board.

Motion passed to bring in Myrtleholm Hunt to the herdbook as a GI status.

Motion passed to approve the minutes from the annual meeting in June.

Discussion about USLGE which included invoices for Bull book payment, Euro tier information online, Rob Kite schedule, and

World Shorthorn Conference follow up.

Zoho contract was not renewed, DNA information now on SharePoint.

Changes to committees and updates.

Motion passed to adjourn at 8:21pm CDT.

*Respectfully submitted,  
Kate Gulley*

## Congratulations to Jack Achen for being the 2022-2023 Milking Shorthorn Ambassador!

Jack will represent the breed throughout the year at AMSS national shows and at our national convention.

Jack is also the president of the AMSS junior society.

***Jack is well on his way to being an integral part of the AMSS!***

**Any AMSJS member aged 16 to 21 has the opportunity to apply for the AMSJS Ambassador Contest and represent the breed!**

Duties include assisting in award presentations at milking shorthorn shows and national convention, help with the AMSS Booth at WDE, contribute to the AMSJS Facebook page, give a presentation that explains and promote our junior awards and scholarships and present it at the national banquet, as well as create a poster display of our junior awards for all to view at the national convention.

# A LOOK BACK

## Milking Shorthorn History Highlights

By Phyllis Agnew of Mapleton Valley Farms

Chilly mornings and combines rolling through fields sure signal the coming of fall. With state fairs wrapping up the summer season, many of us are feeling the flow of "fall show" adrenaline! While we now have "regional" national shows, in days gone by, all roads led to the Chicago International Livestock Exposition... the granddaddy of them all!!

Cold weather, Rodeo Shows, city streets signaling the Christmas season with holiday decorations, folks strolling the aisles in mink coats and the strong aroma of shavings and fancy steak dinners...those were the sights and smells of Chicago's International!

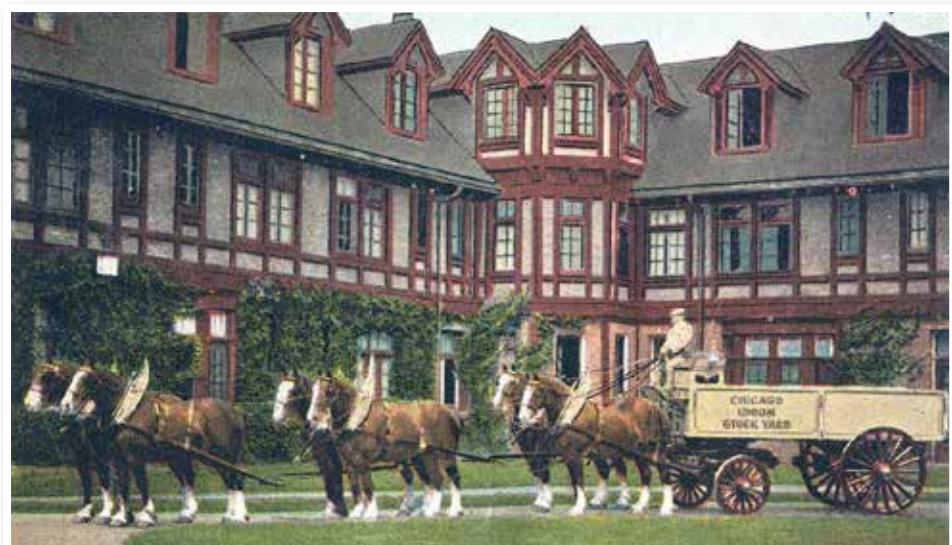

Held in early December, "The International" began in 1900. The mighty Amphitheater hosted the show in the midst of Chicago's Union Stockyards. Though the American Milking Shorthorn Breeders Association had its inaugural meeting in Minnesota in 1911...the 2nd annual meeting was held during The International in Chicago beginning in 1913. According to the Milking Shorthorn Journal January 1923...

*"The tenth anniversary of the Milking Shorthorn organization in the U.S. ended in a blaze of glory at the Chicago International...The largest Milking Shorthorn Show yet held anywhere, 226 entered, 225 shown, it was one of the best in quality and numbers...There was a grand showing of cows in milk that were milked out in the ring ...J.M. Strickland of Yorkshire, England judged both bullocks and the Milking Shorthorn....After he named the grand champion steer (a Milking Shorthorn), the runner-up's owner (showing a Herford) told the judge, "the best beast won!"....The first Milking Shorthorn sale held here at the exposition achieved the top price for Count Tickford, who sold for \$2,300.00 by Thomas Harrison to F.W. Sullivan, Michigan."*

My final Chicago International was December 1969. My sister and I convinced our dad to let us go it alone in our old pickup to set up in advance of the double-deck semi that would haul the Wisconsin state herd. Though it was only a two hour drive, Chicago's rush-hour traffic was congested and very fast... especially for two young coun-

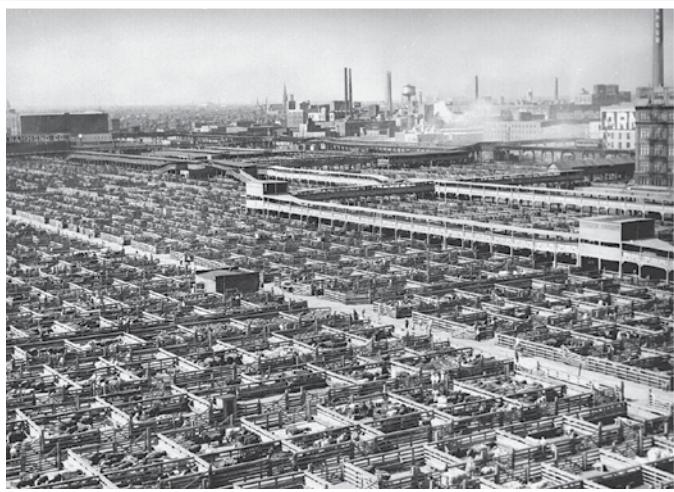

**Chicago Herdsman**

**Six horse show team and stock yard inn, Chicago Amphitheatre**

try gals... and did I mention, at the risk of embarrassing my older sister, I think she would readily admit that a standard transmission, was not her friend!...no problem for two resourceful Wisconsin farm girls!

While she was behind the wheel (she was the only one who could legally drive), I straddled the floor mounted shift... "cooperative, sibling communication", along with some compassionate semi drivers who al-

*The Chicago Stockyards*

lowed us to merge right, slipping down the Halstad Street Exit to the Stock Yards, we arrived at our destination successfully and safely... transmission intact!

Elmer Von Tungeln, from Oklahoma placed cattle from 10 states and Canada. A Grand Champion bull and blue ribbon heifer calf topped some great memories for us that year, along with winning the Herdsmanship cane and coats, giggling at the sight of a certain Illinois breeder, known for his percussion expertise, playing drums at a local establishment, witnessing some interesting card game "pots" and watching the wealthy folks make their way for steaks at the famous "Stockyard Inn"... all while I was watching line and keeping up with my high school algebra... made for an interesting education!

After the closing of the iconic stockyards in 1971, the show moved to Louisville.

Best of luck and safe travels to those of you headed to Madison, Louisville, Eastern States, Pennsylvania and beyond!

## MEET THE

Megan Lundy,  
Jefferson, Wisconsin

**Megan pictured with Megan's Titan Fire (Mikes-Dar Titan x Elite HP M Presto Fireworks TW) and All-Lynns HP Lady Bug-ET (Springville Logic Premium x Mysha R-H Landy Devine-ET).**

Megan Lundy began her dairy endeavors on her parents' Scott and Deb Lundy's farm in Jefferson, Wisconsin. With their guidance and their herd of dominantly red and white Holsteins, Megan developed her passion for the dairy cow while breeding several All-Americans and one World Dairy Expo Junior Show Grand Champion. In 2016, while working at Keatingland, a heifer by the name of All-Lynns HP Ladybug-ET was purchased as an open heifer from the Fall for Colors Sale. Keatingland is a sale barn that usually markets about 1,000 head of dairy cattle per year. Megan grew attached to Ladybug and, with the help of the Dave Gregory family, she bred this heifer and she served as the foundation of Megan's Milking Shorthorn herd. As a three-year old, Ladybug became

Megan's first Milking Shorthorn to classify Excellent and Megan increased her focus on the Shorthorn breed. In 2021, Megan was a host farm for the national Milking Shorthorn convention in Wisconsin.

### **Favorite Cow Family**

Megan has had the privilege of working with decedents of Mysha Lady Di, Rovin Alise Clay Ali-P, HC-HP Red Rob Fireball, and Eichler's MD Blanche-ET. Each family has their qualities, but her favorite and most prolific family are the decedents of her foundation cow Ladybug. Ladybug's maternal sister, Delicious, became Megan's first All-American Milking Shorthorn nominee in 2021 as a 5-year-old.

### **Breeding Goals**

Whether she is breeding her Red and Whites or Milking Shorthorns, her philosophy is the same with an emphasis on type. Her aim is to have Very Good 2-year-olds that develop into high Very Good or Excellent cows. The high forage diet and large frames of the cows allow them to produce 20,000 -30,000 pounds of milk per lactation with ease. Many of Megan's cows descend from some of the breed's most iconic cow families. It is her goal to keep the family's breeding true and to someday breed a bull that has a great influence on the Milking Shorthorn breed.

### **Bulls Currently Used**

The milking herd has daughters of Premium, Mudslinger, and Megadeath. In the heifer and calf pens you will find daughters of Lottery, Justice, and Comanche. Megan also uses bulls from her own cow families with great success.

### **Traits Valued**

Megan's herd epitomizes her breeding philosophy... large framed cows with well attached udders, functional feet and legs and longevity.

### **Challenges She Faces**

Megan feels the breed has come a long way. The challenge she faces is diversity of pedigree of the high type bulls to choose from.

# National Summer Ayrshire Spectacular

July 23, 2022 | Syracuse, NY | Judge: Jean Philippe Charest

The Ayrshire national show season kicked off to a great start July 22-23, 2022 in Syracuse, New York. Judge Jean Philippe Charest of St-Alexandre de Kamouraska, Quebec, placed 153 head over the two scorching-hot days for the newly designated National Ayrshire Summer Spectacular.

Judge Charest was impressed with his senior champion, and named Old-N-Lazy March Madness-ET, the first place 5-year-old owned by Peter Vail of Englewood, FL the grand champion of the show. The reserve grand champion title went to the show's intermediate champion and first place Sr. 3-year-old, GVP Lochinvar Gabby-ET, owned by Jessica Meiller and Lloyd and Nancy Vail of Red Hook, NY. The HM grand champion designation went to the reserve senior champion and first place aged cow, Sunny-Acres Perfecter Kirby, owned by Gregory Evans, Georgetown, NY.

Rounding out the champion honorees was the HM senior champion and second place aged cow, Bear-Ayr Miss Rachael Ray, owned by Cassie Clark of Springville, PA. The reserve intermediate champion award was presented to the first place Jr. 2-year-old, Heineman Kingsire Cadbury exhibited by Eva Heineman of Attica, NY. Hidden-Valley DB Bermuda's owner, Jared Small of Huntington, MA received the HM intermediate champion award for his Jr. 3-year-old.

In the run for junior champion, Kozy Kountry Reagan

Munchkin, the first place fall calf owned by Paytyn Mattocks and Cassie and Sabrina Clark of Springville, PA, took top honors. Coulee-Crest Kingsire Courtney, the first place winter yearling owned by Peter Vail, Englewood, FL, was named reserve junior champion. The nod for honorable mention went to the first place spring yearling, Vales-Prime Prime Rickle, owned by Gavin Valentine, Thurmont, MD.

## Midwest National Ayrshire Show

August 2, 2022 | Fond du Lac, WI | Judge: Kaleb Kruse, Dyersville, IA

Judge Kaleb Kruse named Palmyra Predator B Ruthless-ET the senior and grand champion of the Midwest National Ayrshire Show Aug. 2 in Fond du Lac, Wisconsin. Pictured, from left, are Wisconsin Ayrshire Queen Abby Charapata, Kurt Wolf holding the intermediate and honorable mention grand champion cow Margot Precious, Michelle Wolf holding the reserve senior and reserve grand champion Miss Malibu Mimosa, Ryan Krohlow holding the senior and grand champion Palmyra Predator B Ruthless-ET and judge Kaleb Kruse.

### By Danielle Nauman

For the first time the Wisconsin Ayrshire Breeder's summer show held August 2 in Fond du Lac, Wisconsin was recognized as a national show by the US Ayrshire Breeders' Association. Kaleb Kruse of Dyersville, Iowa officiated the show, placing 130 head of Ayrshires.

The top two four-year-old cows, both hailing from Iowa, claimed the championship banners at the end of the day. The winning four-year-old, Palmyra Predator B Ruthless-ET exhibited by Kurt Wolf and John Cannon of Epworth, Iowa, was named the senior and grand champion female and best uddered cow of the show. The second place four-year-old, Miss Malibu Mimosa owned by Michelle Wolf, Duane Cole and Melissa Burns of Epworth, Iowa, claimed the titles of reserve senior and reserve grand champion.

Honorable mention grand champion honors went to the intermediate champion

female, the winning junior three-year-old, Margot Precious exhibited by Kurt Wolf and Michael Maier, also of Epworth, Iowa. Moy-Ayr Predator Lively, the winning five-year-old, was the honorable mention senior champion. Following Precious as the reserve intermediate champion was the winning senior three-year-old cow, Stillmore Vicking Irena exhibited by Brent and Kari Kinnard of Kewaunee, Wisconsin.

For his junior champion heifer Kruse selected his winning fall yearling, B-Ruthless Gentle Revenge owned by Kurt Wolf and John Cannon. TwinCounty Bacardi Breezer-ET, the top spring yearling, was selected as the reserve junior champion for Josh and Casey Hushon of Genesee, Wisconsin. Kozy Kountry K-Sire Peppermint, the winning winter yearling, was named the honorable mention junior champion for Tim and Katie Busch of Cecil, Wisconsin.

In the youth show Moy-Ayr Predator Lively, the winning five-year-old cow, was tapped for senior and grand champion hon-

ors by Kruse. Lively is owned by Steve, Pauline, Rebecca and Emily Schmidt of Delavan, Wisconsin. Onward Lazy M Distinct Arrow, the top junior-owned aged cow was recognized as the reserve senior and reserve grand champion of the show for owners Kenzie Ullmer, Monica Schwittay and Tyler Boyer of Seymour, Wisconsin.

When the younger cow portion of the show was completed Kruse named Sco-Lo Kingsire Boom, the winning summer junior two-year-old as the intermediate champion of the youth show. She was exhibited by Cael, Chase and Caden Cannon of Epworth, Iowa. Following Boom as the reserve intermediate champion was the top-placing youth-owned junior three-year-old cow, Arthuracres Handsome Annalise exhibited by Matthew Thompson and Cooper Wolf of Darlington, Wisconsin. Honorable mention intermediate champion of the youth show was the winning junior two-year-old Wingerts Bigtime Journey exhibited by Eva Gilmore and Avery Kotlarczyk of Madison, Wisconsin.

# Midwest National Ayrshire Show

August 2, 2022 | Fond du Lac, WI | Judge: Kaleb Kruse, Dyersville, IA

For junior champion of the youth show, Kruse selected Grand View Tuxedo Devyn as his junior champion, after her win in the fall calf class. Devyn was exhibited by Jacob, Logan and Madison Harbaugh and Tim Busch of Marion, Wisconsin. For reserve junior

champion of the youth show Kruse followed her with the second place fall calf, B-Ruthless Resilient exhibited by Jamie Black, Cooper Wolf and Cael, Chase and Caden Cannon of Epworth, Iowa. The youth show honorable mention junior champion was the top-plac-

ing youth-owned fall yearling, Grand-View Vicking Dream On-ET exhibited by the partnership of Ullmer, Jaskolski and Schwittay of Seymour, Wisconsin.

**Margot Precious** was named the intermediate champion of the Midwest National Ayrshire Show Aug. 2 in Fond du Lac, Wisconsin. Pictured, from left, are National Ayrshire Ambassador Allison Adrian, Wisconsin Ayrshire Queen Abby Charapata, Kari Kinnard holding the reserve intermediate champion Stillmore Vicking Irena, Kurt Wolf holding Margot Precious and judge Kaleb Kruse.

Judge Kaleb Kruse named the winning fall yearling, B-Ruthless Gentle Revenge, the junior champion of the Midwest National Ayrshire Show Aug. 2 in Fond du Lac, Wisconsin. Pictured, from left, are Wisconsin Ayrshire Queen Abby Charapata, National Ayrshire Ambassador Allison Adrian, Casey Hushon holding the reserve junior champion TwinCounty Bacardi Breezer-ET, Michelle Wolf holding the junior champion B-Ruthless Gentle Revenge and judge Kaleb Kruse.

# SHOWCASING OUR RECORD HOLDERS

The AMSS is proud of our top-10 overall record holders for milk, fat and protein.  
Congratulations to our breeders on your accomplishments!

*"Zoe was the HM All-American Summer Yearling after placing*

*1st at Iowa State Fair and 3rd at World Dairy Expo in 2016. The following year she placed 5th as a Junior Two Year Old at World Dairy Expo.*

*Her 3rd dam is the famous Dan-Sal Megadeth Zena EX-94 2E.*

*We enjoy working with cows like Zoe who like to work hard and make records with ease."*

*~Suzie & Mike Benoit*

All American Contest

The All-American Program recognizes the outstanding animals exhibited at State, Regional & National shows during the calendar year.  
All entries should be submitted using the form to: AMSS, 800 Pleasant St., Beloit, WI 53511

**Entries form and fees are due to the AMSS office by NOVEMBER 15, 2022.**

**All-American Classes:**

- Spring Heifer Calf: Born on or after 3/1/2022, at least 4 months of age
- Winter Heifer Calf: Born 12/1/2021 thru 2/29/2022
- Fall Heifer Calf: Born 9/1/2021 thru 11/30/2021
- Summer Yearling Heifer: Born 6/1/2021 thru 8/31/2021
- Spring Yearling Heifer: Born 3/1/2021 thru 5/31/2021
- Winter Yearling Heifer: Born 12/1/2020 thru 2/28/2021
- Fall Yearling Heifer: Born 9/1/2020 thru 11/30/2020
- Junior Best Three Females: Must be shown together in the Junior Best Three Class
- Yearling in Milk: Born on or after 9/1/2020
- Junior Two Year Old Cow: Born 3/1/2020 thru 8/31/2020
- Senior Two Year Old Cow: Born 9/1/2019 thru 2/28/2020
- Junior Three Year Old Cow: Born 3/1/2019 thru 8/31/2019
- Senior Three Year Old Cow: Born 9/1/2018 thru 2/29/2019
- Four Year Old Cow: Born 9/1/2017 thru 8/31/2018
- Five Year Old Cow: Born 9/1/2016 thru 8/31/2017
- Aged Cow: Born before 9/1/2016

- Lifetime Merit Cow: Lifetime production over 100,000 lbs. milk
- Senior Best Three Females: Must be shown together in Best Three Class

**Eligibility:** To be eligible for entry in the All-American contest, the animal must meet at least one of the following:

1. Place 1st-6th at one of the four following National Shows: Eastern National (All-American Dairy Show, Harrisburg, PA); International Show (World Dairy Expo, Madison, WI); Northeast National (The Big E, Springfield, MA); Winter National (NAILE, Louisville, KY).
2. Place 1st-6th at a qualifying regional show. *(Official placings must be submitted to the AMSS office by November 1st including the name of the judge, number of head shown, and total number of states represented.)*
3. Place 1st-6th at a state fair or state show. *(Official placings must be submitted to the AMSS office by November 1st including the name of the judge, number of head shown, and total number of states represented.)*

To be eligible, all applicants must be in good standing with AMSS. Any accounts 90 days or more past due will be ineligible until balance is paid in full or payment arrangements are established.

**Entries:** Entries using the official entry form found on the AMSS website can be sent to the AMSS office at 800 Pleasant St, Beloit, WI 53511

All submitted entries must be accompanied by the \$50 nomination fee for individual classes and \$80 nomination fee for the group classes. Checks should be payable to AMSS. Any entries received without payment will not be accepted.

A professional photo must accompany each entry (Junior or Senior Best Three requires an individual photo of each animal in the group). Failure to list ALL placings will automatically disqualify the animals and entry will be forfeited.

**Contest Process:** All classes, regardless of number, must go through the All-American Committee. Upon nomination, nominations go to all national show judges plus the judges of the 4 largest state or regional shows according to number of head shown. The final results will be tabulated from the balloting of the nomination committee. The awards of All-American, Reserve All-American, Honorable Mention All-American, and animals nominated All-American are determined in order of points. In case of a tie, ALL nominations will be sent to one randomly selected judge from the other AA category (Open or Junior). That judge will place all nominations in all classes. Only placings needed to break ties will be used in the final calculation. The final results will appear in the January/February issue of The Angle.

## Junior ALL AMERICAN CONTEST

**Eligibility:** To be eligible for entry in the Junior All-American contest, the animals must meet at least one of the following qualifications:

- 1) Place 1st - 6th at one of the six following National Junior Shows: National Junior Heifer Show (AMSS National Convention) Western National (Washington State Fair, Pullayup, WA) Eastern National (All-American Dairy Show, Harrisburg, PA) International Show (World Dairy Expo, Madison, WI) Northeast National (The Big E, Springfield, MA), Winter National (NAILE, Louisville, KY)
- 2) Place 1st - 6th at a qualifying regional show. *(Official placings must be submitted to the AMSS office by November 1st including the name of the judge, number of head shown, and total number of states represented.)*
- 3) Place 1st - 6th at a state fair or state show. All AMSS Junior Members must be eligible to participate. *(Official placings must be submitted to the AMSS office by November 1st including the name of the judge, number of head shown, and total number of states represented.)*

To be eligible, all applicants must be in good standing with AMSS. Any accounts 90 days or more past due will be ineligible until balance is paid in full or payment arrangements are established.

For shows: All AMSS Junior Members must be eligible to participate. Official placings must be submitted to the AMSS office by November 1st including the Show Submission Form found on the AMSS website. If not filled in completely and submitted by the deadline, the show results will not factor in to the All-American judging.

To be eligible, all applicants must be in good standing with the AMSS. Any accounts 90 days or more past due will be ineligible until the balance is paid in full or payment arrangements are established.

**Entries:** Entries using the official entry form found on the AMSS website can be sent to the AMSS office at 800 Pleasant St, Beloit, WI 53511.

All submitted entries must be accompanied by the \$20 nomination fee. Checks should be pay-

able to AMSS. Any entries received without payment will not be accepted.

A professional photo must accompany each entry (Best Three requires an individual photo of each animal in the group).

Failure to list ALL placings at shows will result in disqualification.

**Contest Process:** All classes, regardless of number, must go through the All-American Committee. The final results will be tabulated from the balloting of the judges.

The awards of All-American, Reserve All-American, Honorable Mention All-American, and animals nominated All-American are determined in order of points. In case of a tie, ALL nominations will be sent to one randomly selected judge from the other AA category (Open or Junior). That judge will place all nominations in all classes. Only placings needed to break ties will be used in the final calculation. The final results will appear in the January/February issue of The Angle.

# Futurity 67

Futurity 67 will be held in connection with the International Show, which will be held during the 2024 fall show season at World Dairy Expo in Madison, Wisconsin. We invite you to participate in the most exciting 2-Year-Old class of the year in 2024! **Closing date for your nominations and payment: December 1, 2022.**

**Nomination and Eligibility:** All heifer calves born between September 1, 2021 and August 31, 2022 are eligible for Futurity 67 – there is no limit to the number of entries. No substitutes may be shown for any reason. No refunds will be given for heifers originally entered that do not show in the Futurity. Eligibility to show follows the animal in case she is sold. All entry fees will be paid out to winners minus any advertising and other costs associated with the Futurity.

After expenses are paid, the purse shall be divided among the winners as follows:

|                      |               |
|----------------------|---------------|
| 1st place.....       | 15 percent    |
| 2nd place.....       | 12 percent    |
| 3rd place.....       | 10 percent    |
| 4th place.....       | 8 percent     |
| 5th place.....       | 6 percent     |
| 6th-10th place.....  | 4 percent     |
| 11th-15th place..... | 3 percent     |
| 16th-20th place..... | 1 1/2 percent |

The balance will be pro-rated among remaining cows shown except that in no event shall any premium exceed the amount of a preceding premium. Any unclaimed awards shall be divided equally among participants in the Futurity class.

Should any condition arise which prevents the

Entries must be postmarked on or before **December 1, 2022.** Tear out or photocopy this page and make your entries TODAY! You may also make your entries at the link

showing of this Futurity, the right is reserved to call the show off and to pay the persons owning the calves eligible at the time of said calling off, their pro rata share of all money accrued in the division called off, after deducting the actual expense of promotion of said Futurity. Government Body: This Futurity shall be administered by an American Milking Shorthorn National Show Committee appointed by the AMSS president.

The judge of the International Show will judge the Futurity class. If the National Show Committee wishes, they may select a consulting judge from one available at the show.

All entrants agree to be amenable to all rules and regulations of the International Show. All final decisions shall rest with the National Show Committee.

Tom: 608-347-4948 | mapletonvalley@gmail.com

- Entry fee of \$35 must accompany this application. Accounts will not be credited if animal is not nominated.**
- Exhibitor must completely fill out an official entry form listing all shows in the U.S. where the animal was shown and correct placing for each. Omissions and/or errors brought to the attention of the Ayrshire Breeders' Association and verified by the ABA may be disqualified.
- A Canadian entry which qualifies under these rules at a U.S. show may enter. Only U.S. placings shall be listed on the

entry form.

- Judges may declare "no contest" for any class in which the numbers and/or quality of photographs would justify such action.

- First place fall national show winners will no longer be considered as automatic nominations.**

**Any entry not adhering to the above rules will be returned to the exhibitor.**

### **Photographs:**

- Entry must be accompanied by one unretouched (including background) glossy professional photograph (no negatives) 5 x 7 in size or high resolution **photographer digital scan**.** Photo must have been taken during the 2022 calendar year and show the entry in substantially the same stage of development or lactation as when judged. Photo may be sent directly to the ABA by the photographer.
- The picture must be identified with the complete name of animal. If mailed, heavy cardboard will ensure safe delivery.

The photo will not be returned except by request and will remain on file at the ABA office.

- Responsibility for obtaining and paying for photos of each entry and delivery to the ABA within the specified time rests entirely upon the exhibitor. If the photo is on file at The Angle, please specify.

**Photos, fees and entry forms must arrive to the ABA by the deadlines announced!**

### **Judging:**

- Official judges will consist of a panel of the national show judges, two judges from the largest state or regional shows per ABA region and one at-large judge.

- A point system of 1 through infinity will be used for judging, with the low score determining the winner. In the event of a tie, the most number 1 votes wins.

### **Classes:**

Junior/Spring Heifer Calf: Born after Feb. 28, 2022, but at least 4 months of age at show

Senior/Fall Yearling In Milk: Born after Aug. 31, 2020, and before Dec. 1, 2020

Intermediate/Winter Heifer Calf: Born after Nov. 30, 2021, and before March 1, 2022

Summer Junior 2-Year-Old Cow: Born after May 31, 2020 and before September 1, 2020

Senior/Fall Heifer Calf: Born after Aug. 31, 2021, and before Dec. 1, 2021

Junior 2-Year-Old: Born after Feb. 28, 2020, and before June 1, 2020

Summer Yearling: Born after May 31, 2021, and before Sept. 1, 2021

Senior 2-Year-Old: Born after Aug. 31, 2019, and before March 1, 2020

Junior/Spring Yearling: Born after Feb. 28, 2021, and before June 1, 2021

Junior 3-Year-Old: Born after Feb. 28, 2019, and before Sept. 1, 2019

Intermediate/Winter Yearling: Born after Nov. 30, 2020, and before March 1, 2021

Senior 3-Year-Old: Born after Aug. 31, 2018, and before March 1, 2019

Senior/Fall Yearling Not In Milk: Born after Aug. 31, 2020, and before Dec. 1, 2020

4-Year-Old: Born after Aug. 31, 2017, and before Sept. 1, 2018

Junior Best Three Females:

5-Year-Old: Born after Aug. 31, 2016, and before Sept. 1, 2017

Group to consist of 3 animals Fall Yearling Heifer (not in milk) and younger, none of which have freshened. All three animals must have been bred by exhibitor and at least one owned by exhibitor.

Aged Cow: Born before Sept. 1, 2016

Lifetime Component Merit: Lifetime production over 100,000 lbs. milk **or** produced 7,500 combined pounds of fat and protein. Official milk production test records are required.

Senior Best Three Females: Group to consist of 3 animals, all in milking form, Fall Yearling In Milk and older. All three animals must have been bred by exhibitor and at least one owned by exhibitor.

# National Summer Ayrshire Spectacular

"This is the most **exhibitor friendly** event we go to."

"Great competition, great people, and a great location."

"Amazing to see all of these **future All American Nominations** in one show ring."

**"Best show we go to all year."**

If you don't come you are missing out on a very competitive all Ayrshire show and people that are the best around."

"We really enjoyed the **open air set up.**"

"First time going and **I felt like I joined a new show family!**"

*Look for this Spectacular Summer Show in Syracuse again in July 2023!!*

We appreciate our tremendous sponsors and are already reserving spots for 2023!  
For more information contact [nationalsummerayrshire@gmail.com](mailto:nationalsummerayrshire@gmail.com)

| AD SIZE                    | BREEDER RATES | After Advertising in<br>3 issues BREEDER RATES<br>10% DISCOUNT | Ad posted on<br>DAT Website |
|----------------------------|---------------|--|-----------------------------|
| Back Cover                 | \$600         | \$540  | YES                         |
| Inside Covers              | \$525         | \$473  | YES                         |
| Full Page                  | \$485         | \$437  | YES                         |
| 1/2 Page                   | \$325         | \$293  | NO                          |
| 1/4 Page                   | \$200         | None   | NO                          |
| Business Card/Block        | \$75/ad       | None   | NO                          |
| State Block - Full Page ad | \$485         | \$437  | YES                         |

Rates offered to breeder advertisers after they advertise the same page size ad in 3 issues. They then receive a 10% discount on every ad of the same page size. Three initial ads and discounted ads must be in a 12 month period.

\*Rates for Back Cover, Inside Covers and Full page ads include automatic posting of ad on Dairy Agenda Today website for 30 days\*
