Thank you to everyone who purchased animals from All-In Genetics this year. We were so excited to see the success others achieved with our genetics. Thank you to all of friends and show families, we could not have made it to all of the shows and got our girls looking their best without the hard work of many people. Finally, thank you to all of the youth who work with our animals and their parents. Giving young people the opportunity to grow and develop skills by working with our cattle has always been a top goal of our partnership.

## Executive Director's Column . . .

### **What's your risk?**

This phrase seems to be making headlines in every type of conversation - from finances, to agriculture business, to politics, and everything in the middle. Without getting too philosophical on things we don't have time or space for in this issue, we can easily find things in the dairy industry that relate to risk and the levels of risk we're willing to take.

The Council on Dairy Cattle Breeding (CDCB) had an open industry meeting I attended during the World Dairy Expo, and I contemplated genetic risk for the Ayrshire breed during parts of the discussion. For a small breed, we have a much higher percentage of matings to bulls that are haplotype carriers for AH1 and AH2 that affect fertility. I do understand that it's possible to make judicious matings with these bulls to cows with pedigrees that aren't affected, yet is loss of pregnancy a risk worth taking? Did you know there can sometimes be multiple versions of the same haplotype? I'm learning that there can be different mutations within generations. It's a topic worth investigating and becoming more knowledgeable about for every Ayrshire breeder.

During the CDCB meeting, there was general discussion on a new haplotype being identified for early onset muscle weakness. I certainly don't have enough knowledge on this topic yet, although the introduction of it seemed to indicate that it affects black coated calves. In theory, this shouldn't affect the Ayrshire breed; but with some selective cross breeding that does happen occasionally, it could make an appearance. Is the advantage of heterosis worth the introduction of new genetic defects to the Ayrshire breed?

A couple of years ago, the Arthrogryposis Multiplex (AM) "curly calf" mutation was introduced into the Ayrshire breed. We've tried to go a good job educating our breeders on this potentially lethal recessive, yet matings are continually made with bulls that are carriers. With careful assessment of individual matings, this recessive can be managed. Is the chase for the next show winner worth the risk for using these genetics?

One presenter at the CDCB meeting made a statement that resonated with me. No animal, or person, is perfect - all have some genetic defects. Just because there are defects doesn't mean there isn't genetic potential. We can reduce genetic risk to maximize profit. Reporting abnormal genetic conditions is very important for breed progress, yet there seems to be a stigma about reporting. It doesn't mean you're a poor producer by having an abnormality to report. We know they are out there! Reporting will help the ABA notice trends that might need further investigation. An abnormality form is available on the ABA website, or you can request a copy from the office.

Have you ever considered that information (or maybe a lack of information) you contribute to the national dairy industry database has a risk factor? I think it does, when it's done carelessly or inaccurately. Consider basic cow identification for production and type data. You're paying good money to participate on official test and to classify. Why not take the extra few minutes to make sure your animals are correctly identified with their registration numbers and proper breed codes? It is worth the risk to have this data rejected for something so simple to correct? And while you're at it, be sure that DHI has your herd coded to release your information to the breed association. We should all take great pride in our part in making the CDCB the largest dairy cooperative database in the world! This pride has to include accountability in making the data the most accurate it can be.

Should we consider personal relationships and how we treat others to have a risk factor? In my mind, we should. The interactions we have with family, employees or co-workers, sales representatives, inspectors, and fellow dairy enthusiasts each come with risks that affect quality of life. Our personal faith and values also greatly affect this outlook on life. Showing appreciation to others and being thankful for the many opportunities we have are priorities that impact our individual lives, yet might not be reciprocated by others. For me, the potential reward for better quality of life is one risk I'm willing to take.

If we don't take risks on some level, we're going to miss out on many of the things that make life worth living - including the highs and the lows. So, I ask again... What's your risk? ■

## The President's Message . . .

### ***It Matters***

How about those Ayrshire Cows this year at all of the National Shows, State Shows, County Fairs, Summer Shows and Field Days! The girls and her people are surely taking names and making their mark in

people, encouraging a fellow breeder, a simple congratulations and encouraging that young junior member who just walked out of the ring. It matters, take the time to say hello, take the time to converse and ask someone how they are doing. It may mean the world to the person you reach out to! Like my Dad, who is 93 years young and cherishes every conversation and moment that he gets to spend with "his people". Many of you reading this have received a phone call from my Dad in the last year. He just calls to say hello, see how you are doing and catch up on the latest news in the Ayrshire/farming world. It matters to him. It matters to me as his daughter that my father has so many wonderful people surrounding him to converse with.

No matter where you place at a show, showing matters because of the fellowship but also because we all mark that catalog, go home and pick bulls that we liked their traits. We talk with our fellow breeders about bulls, what you like, what you don't like and who they work best mated with. We talk to each other about feeding programs and what is working on your farm. The simple fact is, we all need each other. Be the person who is welcoming and forthcoming because it matters!

Don't ever feel like what you do on the farm doesn't matter. You are a part of the team and at the end of the day, the team gets the job done. Every single person on the farm brings their own assets and makes the whole team better for it! Your job matters, you matter, it matters.

Good people spread and share "good will" because "It Matters" ■

the record books. Every show matters, every placing matters, every morning in the milking parlor matters, every morning feeding the calves matters, every time you sit down in your farm office matters. Every moment matters in our world of being proud Ayrshire dairy farmers.

It matters, you matter and being a part of our industry matters. We show our cattle to showcase our breeding program, we go to meetings and banquets to support and promote our breed but there is also something else we get and give... fellowship! I was talking with my dad after our county farm bureau banquet, he told me how much he appreciates talking with people, the fellowship he has had his whole life. Whether out breeding cattle at various farms, attending shows, attending Ayrshire conventions and banquets he always enjoys the fellowship and talking to his friends and fellow Ayrshire Enthusiast. He said he missed it now because he isn't able to breed anymore and he is unable to go to as many shows as he would like. It got me thinking about the opportunities and the fellowship we all have been blessed with throughout our lives. Talking to different

## PRESIDENT'S CORNER . . .

Congratulations to all breeders, exhibitors, herdsmen, and the family members who stayed home who brought record numbers of Milking Shorthorns to the 2023 national shows. The extreme quality of cattle was noticed by countless spectators.

This show season Milking Shorthorns claimed two “supreme” titles: Lands-Brook KNH Chili Pepper was named Supreme Champion Heifer at the All-American Dairy Show and Kuhnkuh Moscato was named

Supreme Junior Champion of the junior show and Supreme Junior Champion of the open show at the Winter National show.

Personally, it was an honor to judge the Northeast National show at the Big E. The quality was great, and the representation of breeders was incredible.

I am looking forward to a great All-American contest to kick off 2024!

Moreover, not everything is about showing. I cannot help but notice the great cows listed in the AMSS Honor Rolls. There are multiple cows with records over 30,000 lbs. of milk and numerous high component cows. This shows the true passion of our AMSS farms – on a daily basis.

The new year will bring new changes for the AMSS. By the time you read this, we will have moved out of the Brown Swiss Office and both employees will be working

100% from home. Please be sure and use our PO Box address.

The cost of a membership will increase to \$85 (which will include one printed copy of the Angle) and \$50 without a copy of the Angle.

Classification with Holstein USA has been a positive change. Please make sure you sign up on time!

We must continue to grow our genomic base. If you are interested in getting females tested reach out to the office or your ST Genetics rep.

As 2023 comes to a close, I'm optimistic for the future. The AMSS is very lucky to have countless volunteers who give of their time, talent, and treasure. We also have two great ladies at the helm in Executive Secretary Kate Gulley and Office Manager Kathy Lynch.

Happy Holidays to all. Be safe and be healthy. ■

# FROM THE EXECUTIVE SECRETARY . . .

The 2023 show season has ended, but the quality of Milking Shorthorn cattle exhibited at every show I attended was some of the best in the breed. The real "winners" in all of this are our junior members. Our youth bring strong genetics to the ring - our future is bright. We need our breeders to encourage our juniors to continue with their progress. It takes a village; we have that village.

As I reflect on 2023, I realize that Milking Shorthorn breeders have a lot to look forward to with our breed. The board made changes this year which have been beneficial. We continue to build a relationship with Holstein USA for our classification program and we are seeing more Milking Shorthorns being classified. I have found there are hidden Milking Shorthorns within Holstein herds that may not have been scored in the past. The classification program is a work in progress. Kathy and I continue to work with Holstein to make the process easier.

Both Kathy and I are working remotely and embracing the opportunity. Kathy brought the Beloit office to her home, and she has inspired me to get my home office in order. Before the move, Kathy spent hours cleaning and uncovering office treasures. Thank you, Kathy. We are a team, but she is

a rock star. One of the treasures found was a banner that reads, "Cows aren't all black and white. THINK RED, WHITE AND ROAN." I quickly claimed this for myself as something about it spoke to me.

As we move into 2024 let's take a moment to look at the progress Milking Shorthorns have made in the show ring and in adding production to our herds. Breeders are taking notice of Milking Shorthorns and adding them to their herds. As a breed we have a lot to offer.

As I spend time with my family this holiday season, one word comes to my mind: "Blessed." My immediate family is certainly a blessing but also my Milking Shorthorn family. You have embraced me as your Executive Secretary. Thank you. May you all enjoy time with family and friends this holiday season. Here's to a great 2024! ■

## AMERICAN MILKING SHORTHORN SOCIETY P.O. BOX 21 BEOUIT, WI 53511

**Mission Statement:** To recognize and welcome the diversity of the Milking Shorthorn as a unique feature of our breed, distinguishing it from all other breeds in the United States. To encourage each breeder to use all the Society programs which will benefit them individually and respect the rights of other breeders to have a different goal and to use different programs. To administer the Society to effectively use the information generated by the breeders to aggressively market our breed.

As we approach the end of 2023, I would like to highlight two of the most recent junior shows: World Dairy Expo and the Winter National Milking Shorthorn Show.

World Dairy Expo featured quality Milking Shorthorns. I had a great time catching up with breeders across the nation. Congratulations to these junior show champions:

- Dillon Freeman on his two-time Grand Champion
- The Topp family on their Reserve Grand Champion
- Justin Brandel on Junior Champion and Reserve Junior Champion of the Open Show
- Dana Johnson on Reserve Junior Champion

Although I was not able to be present for the Winter National Milking Shorthorn Junior Show, I watched the show from home and was blown away by the quality throughout each class.

Congratulations to Owen Halpin who had the honor of being Grand Champion of the Junior Show and to Tristen Upchurch on Reserve Grand Champion. Special congratulations to Jordan Kuhn on his Junior Champion of both the Junior and Open show and on SUPREME Heifer of both shows as well! That heifer is beautiful, she truly is special.

I would like to wish everyone safe travels this holiday season and Happy Holidays to you and your family! Can't wait to see what 2024 has in store for the red, white, and roan.

The past few months I've been busy traveling to shows!

My first stop was the Sooner State Dairy Show in Stillwater, Oklahoma. It was a very impressive junior- only show with a lot of quality Milking Shorthorns from top to bottom.

After that, I traveled to the Kansas State fair. I represented the breed and assisted with the peewee showmanship. From there, I traveled to the Oklahoma State Fair and then on to Harrisburg, Pennsylvania for the All-American Dairy show.

Next, I attended the Tulsa State Fair and then drove to Madison, Wisconsin for the World Dairy Expo. This was my first time at Expo and it was an experience I will never forget! There were so many great Milking Shorthorns exhibited.

After World Dairy Expo, I traveled to the North American International Livestock Exposition. Again, the quality and numbers of Milking Shorthorns exhibited was breathtaking.

I want to thank all AMSS breeders and exhibitors who made traveling to these shows a memorable journey. ■

# YOUTH SPOTLIGHT

## DANA JOHNSON

Dana Johnson became involved in the Milking Shorthorn breed recently, however she has had plenty to show for her hard work and dedication with her heifer, Old-N-Slow Lapdance EXP ET. Since buying her heifer, Dana has been dedicated to her daily care and presentation, leading her to now hold the title of Reserve Junior Champion of the Junior Show at the 2023 World Dairy

Expo, as well as the many titles that have made her an undefeated heifer this year.

Dana is a Sophomore studying graphic design, which she hopes to put to use within the agricultural industry, as well as doing freelance work. Her drive is supported by the need for advertising within the dairy industry, as well as the creativity it takes to produce high quality media.

Dana grew up on her family's 1,800-acre grain farm, and began her journey in the dairy industry just seven years ago. Her focus has been raising show heifers that can be competitive at many levels, and growing her skills for fitting dairy cattle. Though her start in the breed was recent, she plans to continue raising Milking Shorthorn animals that can remain competitive in the showring.

Outside of showing, Dana stays busy helping her younger siblings with their dairy projects, and being a co-leader of the Monroe County All Breeds Junior Dairy Club. She plans to help younger individuals work towards their goals within the industry, and develop in the showring.

Dana has seen a lot of success this year with her heifer, and plans to use her skills when working with youth in the industry and growing in the graphic design world! ■

# THE COUNCIL ON DAIRY CATTLE BREEDING'S

## Year in Review

BY: KATIE SCHMITT

This fall while many of you were busy traveling around the country for national shows, the Council on Dairy Cattle Breeding held its ninth annual Industry Meeting at World Dairy Expo. In preparation for the gathering, an activity report was assembled summarizing the accomplishments and milestones of the past 12 months that impacted the U.S. genetic evaluation system. Below you can see some of the highlights or you can read the complete report here: <https://uscdcb.com/activity-reports>

### New and Enhanced Resources and Services:

- WebConnect launched replacing the legacy data and query system in October 2022. The goals for the new site transformation were improved user experience, more intuitive navigation, modern design and graphics, and expanded resources about U.S. genetic evaluations. If you haven't yet, I encourage you to visit <https://webconnect.uscdcb.com/#/top-animal-listing> and explore new evaluation results in December.
- The Dairy Breed Improvement Collaboration became a focus this year supporting the Ayrshire, Brown Swiss, Guernsey, and Milking Shorthorn breeds. Through this program, CDCB staff participated in national conventions during the summer, organized regular technical meetings for association staff, and provided articles and updates like this for breeders. The collaboration, that also provides a discounted A.I. service fee, will continue into 2024.

### Triannual Evaluations:

- 79 million dairy animals received updated values for 50 traits and four selection indices in December 2022. The National Cooperator Database went on to receive its 7 millionth genotype on December 19.
- In April 2023, the evaluation system underwent annual updates to SNP usability and Breed Base Representation (BBR). BBR is what is used when calculating crossbred evaluations.
- The August 2023 evaluations included "Constructed IDs" for the first time as the U.S. pioneers this new way to use genomics for pedigree discovery and enhanced evaluation accuracy. Another database milestone was achieved in August when the 8 millionth genotype was recorded in the National Cooperator Database. This is the fastest rate at which genotypes have been added to the world's largest database of animal genetic information.

### New CDCB Staff:

- In the first few months of the year, Andres Legarra joined the team as senior geneticist, bringing vast experience in quantitative genetics and animal breeding in Spain, the U.S., and

France; 2019 CDCB intern, Taylor McWhorter, returned to CDCB as a full-time geneticist; and Katie Schmitt – that's me! – began as outreach specialist in March, focused on supporting the Dairy Breed Improvement Collaboration which channels resources to Ayrshire, Brown Swiss, Guernsey, and Milking Shorthorn breeders and associations.

- In May, Courtney Hoff started at CDCB as a data support specialist and Malia Caputo began a two-year postdoctoral appointment. The next month, Tanji Wendorff came aboard as a project manager, and then Rob Cooper as business manager.
- During the summer, CDCB welcomed two outstanding interns, Jonathan Layton and Joe-Menwer Tabet. (Applications are now open for 2024 CDCB internships. These opportunities are designed for graduate-level students who have an interest in genetics, data management, and more.)

### Research and Development:

- Mobility and hoof health research was a highlight of 2023 as data collection from hoof trimmers and CattleEye takes place across the country. This project is being conducted with the University of Minnesota, USDA Animal Genomics Improvement Laboratory (AGIL), and CDCB.
- Through an industry-wide collaboration, milking speed is being studied with three key deliverables: Definition of phenotypes, identification of data types and quality control measures, and genomic evaluations based on quantitative data through milking systems rather than subjective scores.
- Milk Yield Factors are being updated for the first time in 30 years. This robust study will be a topic of a future column as it carries strong potential impacts for your breed.
- CDCB continues to invest in feed efficiency and methane emission research and their relationship to genetics. This spring a collaboration was formalized with Dairy Management Inc. to identify, prioritize, and enable research that extends the use of natural genetic improvement and selective breeding to positively impact environmental sustainability. In September, funding was awarded through the Greener Cattle Initiative and CDCB to study enteric methane emissions.

Throughout all this, the Council on Dairy Cattle Breeding has been celebrating its 10th anniversary of providing services to the dairy industry since it assumed duties from the USDA in 2013. The next step forward includes a new strategic plan that the CDCB Board of Directors has been working to outline with staff in recent months.

Overall, it has been a year of celebrations, growth, and strengthening of collaborations, and we are excited to see what the next year holds for the dairy industry and CDCB.

# KEEPING THE Flames Burning Hot AT STEEL FIRE FARM

Thank you to all of the Ayrshire youth that leased cattle from us this year. Thank you for your dedication, commitment and for always being great team players.

Congratulations to Kiley Bingham for being selected as the over all Grand Champion Dairy Showman, winning the elite title of Premier All Around Livestock Showman and for having Reserve Junior Champion Ayrshire at the Howard County Fair

Congratulations to Peytin Hereth for having Junior Champion Ayrshire, Grand Champion Ayrshire and Supreme Champion Dairy at the Howard County Fair.

Our youth are our future, so if you are able... I encourage you to lease those beautiful Ayrshires out! Trust me, you won't regret it!

# AMSS OFFICE *Movement*

On a warm August weekend your AMSS board members traveled to the office in Beloit to begin the daunting task of closing the office permanently. These folks spent two full days filling, sorting, cleaning, packing, and moving boxes to the storage units.

There were many interesting memorabilia, letters, and keepsakes found, along with great conversation.

Thank you to:

Matt Henkes

Joanna Landrum

Allen Hess

Susan Lee

Larry Landsgard

Michelle Upchurch

Mike Gregory

Katie Agnew

Darrin Gregory

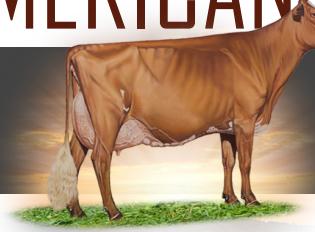

Matt Borchardt and family for providing a trailer to move filing cabinets. The whole family came to help.

The biggest thank you goes to Kathy, who spent countless hours packing boxes, uncovering treasures, and organizing office equipment to be sold.

As you read this note, we will have officially moved from 800 Pleasant St. to two AMSS employees working 100% remotely. Thank you to Joanna and Allen for documenting the weekend with pictures.

# AMERICAN MILKING SHORTHORN SOCIETY

## 102<sup>nd</sup> Annual Meeting

June 23, 2023 | Norman, Oklahoma

The 102nd annual meeting of the American Milking Shorthorn Society was called to order at 10 AM on Friday, June 23, 2023, in Norman, Oklahoma by President, Marcia Clark.

Dakota Arthur welcomed everyone to Oklahoma.

Credentials Committee chairperson, Casey Weiss, performed the roll call of delegates. All districts were present. A motion was made to seat the delegates. Motion passed. A quorum was declared.

A motion was made and seconded to approve the minutes from the 101st annual meeting with no changes. Motion passed.

Samantha Fairbanks, Amy Fletcher, Katie Schmitt, and a representative from Hoard's Dairyman were introduced – and addressed the group later in the meeting.

President Clark gave her address, thanking everyone for attending the convention. She thanked the Oklahoma, Arkansas, Texas Milking Shorthorn Association for putting on the convention. As she stepped down from the board, she thanked her family and the board of directors for the support throughout her years on the board. Items discussed during the board meetings include:

- Advertising on the website for breeders
- *The Angle* subscription will be an additional fee for members
- The office in Beloit will close permanently; Kathy will work from home
- How future conventions will be conducted in the future
- Starting in 2025, the national sale will be split 50/50 between the AMSS national office and host state

There was a discussion about the EXP program and statements that the herd book levels in the bull book are confusing. The breed needs to unite on this topic.

Kate Gulley gave her Executive Secretary report. Classification with Holstein is just getting underway. We are continuing to do DNA and Genomic testing on males, donor females, and national show winners. Kate and Kathy have established a great working

relationship. Kate asked members to thank Kathy for her hard work.

Kylie Preisinger gave a report on behalf of the Finance Committee. Handouts were provided. There was discussion about how the society will cover costs.

The In Memoriam report was presented by Scott Calteux to honor those who passed in the last year. The following names were called:

Kathy Whitted-Illinois  
James Donald LaFollette-Indiana  
Michael Halpin-Illinois  
Brenda York-Maine  
Jean McGuigan Ellsworth-Missouri  
Thomas W. Fleming-New York  
James Rowe-Ohio

George Halpin made a motion to renew the L.D. May trophy at all national shows. Motion was seconded and passed.

The minutes of the President's and Secretary's report were presented. A motion was made and seconded to approve the minutes.

Samantha Fairbanks from ST Genetics informed the group that with any Milking Shorthorn semen purchased during the sale, a percentage will be donated to the AMSS Junior Fund.

Amy Fletcher, Senior Manager Classification Operations from Holstein USA, presented the new classification program with the new changes to linear scores.

Katie Schmitt, Outreach Specialist with the Council on Dairy Cattle Breeding, spoke of a collaboration between the small breed associations.

John Anderson made a motion that no changes to the AMSS herd book could be made unless voted on by membership at the annual meeting. Motion was seconded and passed.

Recessed for lunch. Resumed at 1:37pm.

Kylie Preisinger moved that the Article and Bylaws be changed to reduce the number of board members from 12 to 9 over the next 3 years. Motion failed.

John Anderson moved to change the Arti-

cles of Incorporation to reduce the board of directors. Motion seconded and passed.

John Anderson moved to change the By-laws to reduce the board of directors. Motion seconded and passed.

Nominations from the President's and Secretary's meeting—for election of AMSS board members—are as follows:

- Michelle Upchurch
- Susan Lee
- Fred Williams
- Larry Landsgard

The first position available was for Michelle Upchurch, who was eligible for re-election. The nomination from the President's and Secretary's meeting of Michelle Upchurch was called. Allyn Paulson was nominated from the floor. Both nominees addressed the crowd. Motion was made and seconded to close the nominations. Michelle Upchurch was reelected to the board.

The nomination for the second position available was Susan Lee and Allyn Paulson was re-nominated from the floor. Both nominees addressed the crowd. Motion was made and seconded too close the nomination. Susan Lee was elected to the board.

Nominations for the third position available was Larry Landsgard and Fred Williams. Matt Henkes read a statement from Larry Landsgard, who was not in attendance. Larry Landsgard was eligible for re-election. Fred Williams addressed the crowd. Motion was made and seconded to close the nominations. Larry Landsgard was re-elected to the board.

Upcoming state fairs and picnics were announced.

All former AMSS presidents were asked to stand.

All former AMSS queens were asked to stand.

Marcia Clark welcomed the group to New England for convention in June of 2024.

A motion was made and seconded to adjourn the meeting. The 102nd meeting of the AMSS adjourned at 2:41pm.

Respectfully Submitted,  
Kate Gulley

## NOTICE TO MEMBERS

AMSS Member Censure: Heavenly Show Cattle, Monroe, Wisconsin

On September 11, 2023, AMSS Member Heavenly Show Cattle was censured by the Board of Directors following a hearing held pursuant to Article 15, Section 15.2 of the AMSS Restated Bylaws (June 2021).

Based on the findings presented during said hearing, and to protect the integrity of the herd book, the AMSS board concluded the following:

(1) Falsification of Registration Information

Heavenly Zeeks Sunshine (Registration # 68328907) is not an offspring of registered bull Heavenly Zeek ET (Registration # 68323686). The listed sire is not correct in the herd book. Member has been asked to correct the registration and has failed to do so.

(2) Summary of Action Taken

- a) AMSS will correct the registration and DNA test all registered offspring of Heavenly Zeek ET.
- b) Adult members of Heavenly Show Cattle will lose their AMSS membership for five (5) years effective September 11, 2023.
- c) Junior members of Heavenly Show Cattle will lose their AMSS membership for two (2) years effective September 11, 2023.
- d) The Board's decision applies to July 5, 2023, and later and applies to any person who uses the prefix Heavenly Show Cattle.

(3) Final and Binding Decision

As per the AMSS Bylaws, the Board's decision is final and binding as to all Members and not subject to appeal.

*This Notice is published pursuant to Article 15, Section 15.2 of the AMSS Restated Bylaws (June 2021).*

## Yes! I want to support the AMSS.

Enclosed please find my check made payable to AMSS.

### \$ \_\_\_\_\_ Computer Fund

The purpose of the Computer Fund is to provide supplemental funding for the purchase and maintenance of computer hardware and software for the AMSS national office.

### \$ \_\_\_\_\_ Endowment Fund

The purpose of the Endowment is to generate revenue to be used to promote the Milking Shorthorn Breed. Donations are invested in interest-bearing, government insured securities. The principal remains intact in the account and only the earnings are available for use at the discretion of the AMSS Endowment Fund Committee.

### \$ \_\_\_\_\_ Executive Secretary Travel Fund

The purpose of the Executive Secretary Travel Fund is to allow the executive secretary to take additional trips to Milking Shorthorn breeder farms and various industry-related meetings and events.

### \$ \_\_\_\_\_ Foundation Fund

The primary purpose of the Foundation is to provide funding to enhance the marketing and promotion of the Milking Shorthorn breed. The Foundation can also be used to fund other programs and initiatives of the American Milking Shorthorn Society upon approval of two-thirds (2/3's) of the board of directors. Donations are invested in a conservative portfolio of stocks and bonds. Contributions are temporarily restricted upon receipt. On January 1st of each year, ten percent (10%) of the Foundation's temporarily restricted balance as of December 31st of the immediately preceding year will become unrestricted and thus available for expenditure by AMSS.

### \$ \_\_\_\_\_ General Fund

The purpose of this fund is to provide immediate funding for AMSS needs. General funds can be used to cover unexpected expenses or unplanned activities.

### \$ \_\_\_\_\_ Junior Society

The purpose of this fund is to strengthen the junior society by providing supplemental funding for national show awards, scholarships, national queen's travel expenses, and various other events.

### \$ \_\_\_\_\_ Total Enclosed

Thank you for your generous support.

Caroline Allen and Jordan Kuhn have found great success with their Milking Shorthorn selections.

# ONE STEP AT A TIME

Written by: Sarah Thomas

*“A journey of a thousand miles begins with a single step.”*

This quote comes from a Chinese proverb quoting Laozi, an ancient Chinese philosopher. Everyone's journey is different. The same can be said for their beginnings as well; however, they each start with the first step.

## PIECE OF HOPE

Hailing from the Green Mountain State of Vermont, 13-year-old Caroline Allen hasn't always been a Milking Shorthorn exhibitor. Born into the industry, she spent lots of time with her grandmother, Claudia, on the farm as a child. "I would sit in the stroller in the parlor and my grandma would push me around the farm to do chores," Allen said. "I later started helping out with feeding calves, show heifers, and the fresh cows. She has even taught me how to do payroll."

Allen has been involved with most breeds—primarily Jerseys at her home farm, Allendale, carrying the Kellogg Bay prefix. She credits her father, Joe, for being a great teacher: "He taught me the fundamentals of breeding, showmanship, judging, and picking out sires for our show animals." Allen was entered in peewee showmanship at just two years old and remembers being "so in love with showing cows" at age seven.

In 2020, Allen's family made the decision to transition to majority Jerseys in order to cater to the available milk market. Just two years later in March 2022, Allen found something unique of her own. At the Massachusetts Blue Ribbon Calf Sale, her father prompted a question while they stood behind three Milking Shorthorns. "Which one would you pick?" he asked his daughter. She remembers how one particular heifer caught her eye. "She was roan, I liked her name, and I just couldn't help but keep going back to look at her."

Only a short while later marked Allen's ownership of a Milking Shorthorn, Classy Creek Dsny Snoop Dogg-P, a summer yearling for 2022. "I just kept bidding and that was that—even though I blew the budget! I still have my bidding number and remember she was lot 17. I even remember what I was wearing and everything!" said Allen. "Snoop became my piece of hope. She came at an interesting moment in my life because as things around me were changing, I knew she was there to stay."

A Disney daughter out of Classy Creek Blaine Shakira EX93, Snoop has made a mark of her own. "She is the best showmanship animal I have ever had," said Allen. Snoop was second summer yearling and reserve junior champion at the 2022 Northeastern National Milking Shorthorn Show and was reserve supreme heifer at the Multi-County 4-H Show in Vermont. At the North American International Livestock Exposition (NAILE), Snoop rose to second summer yearling in both the junior and open shows. Her success has continued in 2023 at NAILE placing first junior and third open as a summer junior two-year-old.

Consigned by the Gulley family of Greenwich, New York, Allen considers herself blessed to know them and the opportunities they have given her within the Milking Shorthorn breed. "They have remained involved with Snoop by asking her how she is and checking in often. It means a lot that they care," said Allen. "They even got Snoop a new halter and have introduced me to so many other Milking Shorthorn enthusiasts."

As for her future, Allen wants to continue her journey in the dairy industry. "My goal is to come back home to our farm and work with my younger brother, Tom. My mom (Becky) helps run our 4-H club, and that has really impacted my life. I want to do that for others in the future," said Allen. "I really love genetics too. It's fascinating to compare sires from just a few years ago to the new ones we have now. It would even be cool to try out Milking Shorthorn genomics! Ultimately, though, I just want to make good cows."

## MAKING HIS PATH

A West Union, Iowa native living as an Indiana resident, Jordan Kuhn has carved his journey albeit beginning with no show

background. The now 21-year-old got his start through two Milking Shorthorn heifers from Neal and Julie Lansing. According to Kuhn, this "lit a fire to continue getting better."

Kuhn's father, Monty, introduced his son to Norm Nabholz and Gretchen Taylor through his work as an AI technician. Thus, a mentorship was formed, and Kuhn began working for Nabholz in 2017, which is also when he bought two heifers that started the family for his well-known Kuhnkuh Moscato EXP. "I learned so much from them and they taught me the ropes," said Kuhn. "80% of the work is done at home. 20% is the finishing touches at the show. Little details add up to the big picture. Always analyze your feed program, watch their hides, look at their hair quality, and ensure good hoof care."

Upon graduating high school, Kuhn wasn't certain what he wanted to do, but he knew he wanted to stay involved with good cows. After some encouragement from friend Naomi Scott, Kuhn found himself at Budjon Farms in Lomira, Wisconsin for some months continuing to tune his knowledge. "Consistency and care matter," said Kuhn. "Cows are creatures of habit. They are a 365-days-a-year project." It was at Budjon that Kuhn met Cassie Gebert of Wawaka, Indiana. Their like-mindedness, when it came to cattle care, gave them the ability to bounce ideas off each other. Kuhn moved to Indiana to work with Gebert two and a half years ago.

Through Kuhn's breeding program and care at Gebert's, he developed Moscato, an Ocean daughter out of a genetic expansion cow sired by Altitude-Red. "I have used a fair amount of Red and White Holstein in my program," said Kuhn. "I really like to focus on rump structure and udder quality. Most of the Milking Shorthorn breed goes back to a couple of very well-known sires. I want to create something different so I'm not breeding myself into a corner."

Kuhn knew Moscato was special from day one. "Right off the bat she had a long dairy neck, long legs, and a central thurl placement. She excelled as a calf and grew really well," said Kuhn. "She didn't have any issues and never skipped a beat. She never got sick and has always been an aggressive eater."

The Tanbark Trail got to know Moscato as a summer yearling this year. She was reserve junior champion at the Ohio State Fair and went on to be named supreme champion heifer at the Indiana State Fair. She earned junior champion at the Premier National Junior Milking Shorthorn Show in Harrisburg, Pennsylvania and was reserve junior champion for the All-American Milking Shorthorn Show. At World Dairy Expo, she won the summer yearling class for both the junior and open shows. To top it off, she captured both junior and open supreme heifer in Louisville, Kentucky at NAILE. Moscato has checked pregnant to Premium on her first service. She has had a couple of IVF sessions already with more to come.

"If you would have told me five years ago that I would have bred and exhibited supreme heifer at Louisville, I wouldn't have believed you!" said Kuhn. "I thought it would take me at least ten years to breed a decent heifer. This type of success is still surreal to me because I didn't start with a lot of show experience." He also did not fail to acknowledge the many mentors he has had along the way. "People have put a lot of hard work and effort into me," he said.

Kuhn's journey with the Milking Shorthorn breed has only just begun. For him, it's simple: "I like a nice dairy animal that calves regularly and puts milk in the tank. I aim for a good cow at home that also has showring success." His goal is to have 10-20 "really good" show animals in addition to boarding for other people. Kuhn wants to market more animals and embryos in addition to acquiring more animals that transmit. "I am still figuring it out day-by-day, but it's been an awesome ride so far."

The Branstetter Family – (from left) Andy, Emily and Rylan Pike; Melinda and Billy Branstetter; and Felicia, Carter and Joey Branstetter (missing 1 year old son, Case) – milk 75 cows at JSB Acres in Hardiyville, Kentucky. The Branstetters have been involved with the Ayrshire breed since 1998.

# Fully Invested

*Branstetter's drive benefits Ayrshire breed*

By: Danielle Nauman

HARDYVILLE, Ky. - Halfway is not a world in Billy Branstetter's vocabulary. When he becomes involved in an organization, activity or cause, he becomes fully invested.

"I was raised with the exampled of leadership. My parents were involved in positions of leadership in organizations they were part of," Billy said. "I'm not one to stand in the back, just watching."

The upbringing Billy received has become the benefit of Ayrshire breeders throughout the U.S. he has served on the U.S. Ayrshire Breeder's Board of Directors since 2020, as well as being immersed in working with his fellow Ayrshire breeders in Kentucky to promote the breed since first becoming involved.

"As a Board member my goal is to share the many advantages of the Ayrshire cow," Billy said. "Not only is she a show animal, she is a good and profitable milk cow. I want all members – no matter the size of their herd – to feel they have a voice. That

is how we will keep our breed and organization moving forward in a positive direction."

Billy and his family – Melinda, Joey, Felicia and Carter Branstetter, and Andy, Emily and Rylan Pike – operate JSB Acres, which was first established by Billy's family in 1955, as a herd of Holstein cows. The first splash of color came to the farm in 1998, when Billy's son Joey wanted to try showing an Ayrshire.

"Our two children were competing showing Holsteins, and Joey decided he wanted to try something a little different," he said. "We started with that one Ayrshire calf and they just sort of blossomed out from there."

The Branstetter's 52-cow herd is now decidedly more colorful – with over 85% of the herd being Ayrshire, with the remaining 15% being Holstein.

"As we began milking Ayrshire cows, we came to love them for their grazing ability," Billy said. "Our cows are never confined,

they graze as long as there is grass, and are fed hay and haylage during the winter. The Ayrshires do well in that system. They have fewer health issues and deal with Kentucky's summer heat better."

Once his family became Ayrshire breeders and fell in love with the breed's many attributes, Billy went all-in, as he was raised to do, becoming involved in the promotion of the breed.

As he became involved in with the Kentucky Ayrshire Breeder's Association, Billy became a mainstay in running the Kentucky National Ayrshire Show and Sale, managing the sale for over 13 years.

"The Kentucky National Sale helps promote the breed and gets Ayrshire animals into the hands of many youth in the Southeast and the money we raise with the sale benefits our youth," he said. "The youth are our future and it is important we do all we can to get them quality animals for their projects."

Billy, who also serves as the president of the Kentucky National board of directors, enjoys working with other like-minded Ayrshire breeders to make the sale a success.

"The sale is run by volunteers who take a week off each year from their jobs and busy lives to spend devoted to the Kentucky National," he said. "They do everything that needs doing, and if it weren't for them, there would be no sale."

Besides his involvement with the state and national Ayrshire organizations, Billy serves as the Metcalfe County Conservation District Chairman; is on the dairy advisory committee for the North American International Livestock Exposition; a board member of the Kentucky PDCA and is the financial director for the Horsecave Methodist Church.

In addition to their dairy farm, the

Branstetter family raises and sells vegetables and makes and sells over 20,000 small square bales of hay which they sell to horse owners throughout the Southeast. Billy also manages a nearby 3,000-acre farm and runs a tobacco receiving station.

"I don't like sitting still," he said. "I need to be busy, that is how I was raised and it is just the kind of person I am."

Billy is always adding new skills and activities to his repertoire, and several years ago became a woodworker.

"I had never done any woodworking until about four years ago," he said. "We had an old tobacco shed fall down, and rather than sell the wood, I decided to do something with it. My wife wanted a kitchen table, so I made one from that. Then I built a kitchen island counter for her, and other tables and things around the house. It just grew from

there."

As that creative spirit began kicking in, Billy branched out into making items from tobacco sticks.

"I quit raising tobacco, and had 30,000 tobacco sticks," he said. "I had the time and I needed to use them, so I started building with them."

Billy approaches everything in life with the same verve and dedication, and said the benefits always outweigh the inputs.

"I love the Ayrshire cow, and the great lifetime friends I have made because of her," Billy said. "I am so proud watching my grandsons show Ayrshires, and I hope they continue working with this breed as they get older. My wish is for our family farm to continue for many years to come, and to always have Ayrshire cows grazing in the pastures." ■

Promoting the Ayrshire breed is a focus for Billy Branstetter (center), pictured with grandsons Rylan Pike (left) and Carter Branstetter (right). Branstetter serves on the U.S. Ayrshire Breeder's Association Board of Directors and is the chairman of the Kentucky National Ayrshire Show and Sale.

Billy Branstetter (center) enjoys watching his grandchildren – Rylan Pike (left) and Carter Branstetter (right) – continue the family tradition of exhibiting registered Ayrshires at the Kentucky State Fair.

**R**EWARDS is the right solution for convenience and cost-savings to enhance the value of your Registered Ayrshires.

**REWARDS Features:**

- Completed lactations added monthly to ABA database for pedigrees
- Completed 305-day lactations are eligible to be printed in *The Angle*
- Eligible for ABA Production Awards
- Genetic Evaluation Reports (Blue Book) following releases in April, August and December
- Free online official 3-generation pedigrees. Please request a password.
- Free online subscription to *The Angle*
- Buy one, get one free pricing in the Ayrshire Yearbook
- Type Traits Appraisal - Classification is on a scheduled 7-month rotation.

**Only females are included in the Rewards program for classification. Males 18 months and older may be classified at the published fee schedule rate.** REWARDS herds must complete the submission forms to be scheduled for classification.

**REWARDS Registrations:**

- Includes registrations of animals born in the year of enrollment for no additional fees, up to 65% of the number of cows enrolled in this year's program year. Animals registered beyond this will be charged at \$14 each for those 4 months and younger. Registration**

**applications received after 4 months of age will incur an additional \$2 fee.**

The final date for registration applications submission for 2023 enrollment is March 1, 2024.

- Males registered are required to be parentage verified by Genomics testing to receive a registration certificate. Testing fees will apply.
- Beginning January 1, 2023, all Embryo Transfer (ET) offspring must be genomic tested for parentage verification in order to be registered.
- New REWARDS herds will save 50% on registration of animals born prior to January 1, 2024 and not yet registered when the program fees are paid.

**REWARDS Ownership Transfers:**

- Discounted transfer fees for all transfers in enrollment year

**REWARDS Pricing:**

- \$100 herd fee
- \$22 per enrolled female, includes milking and dry cows as of December 2022 DHI herd test report**

- 5% cash discount if application and fees are received by December 31, 2023
- An additional 5% discount will be given if you own 51 cows or more, and increased to 10% for 101 cows and 15% at 201 cows.
- Enrollment payment can be made by check, credit card or by milk check assignment. \* If you choose to pay by milk check assignment, an application and complete details are available from the ABA office.

• The cash discount sign-up deadline is December 31, 2023

• The final sign-up deadline is March 31, 2024.

• You still must sign up to be included on the schedule for the classification tour in your area, even as a Rewards program member. Tours are based on a seven month rotation. We will rely on electronic reminders (email, web sites and Facebook) as well as printing the schedules in the breed publications. Breeders may email, fax and mail their applications directly to the Ayrshire Breeders' Association. A fillable pdf form is available at [www.usayrshire.com](http://www.usayrshire.com).

• Even if you're classifying Holsteins, you must still sign up with the ABA! Although add-ons are an option if you're already on the Holstein schedule, there is an increased fee per cow to do so. Add-on fees will be charged to Rewards herds!

• If Rewards herds sign up after the deadline, there may be a late fee incurred!

**REWARDS Explained Further:**

- All other Association programs and services will be at regular individual program prices.
- Enrolled herds must meet a minimum Data Collection Rating (DCR) by DHI of 86 or better to be eligible for production awards.
- REWARDS enrollment is offered on a yearly calendar basis. No applications will be accepted after March 31, 2024.
- The primary account holder enrolled in REWARDS must be an ABA member as the program is an exclusive member benefit. Family member accounts may be associated with the primary account and enjoy all of the benefits of the REWARDS member account.
- Animals owned by others housed in a REWARDS herd will be accepted as long as the primary herd has listed all cows in the herd at sign up and paid the full fee. The animals will be listed as one herd.
- Enrollment is simple — just send an application with a copy of your DHI test sheet that shows the number of milking age females in your herd.
- No refunds will be provided.

**REWARDS Benefits:**

- Let us help you evaluate if the REWARDS Program might be beneficial. Call (614) 335-0020.

# International Ayrshire Show

The World Dairy Expo set the stage for the showcase of cattle exhibited in the International Ayrshire Show in Madison, WI. Judge Kurt Wolf and Associate Judge Steve Searles placed 283 animals in the open show and 106 in the junior show on October 2nd and 3rd. It was a world class show!

The junior champion came from the competitive fall calf class where 31 heifers were vying for the top spot. Stylin Reynolds Monroe went home with the banner for her owners Leslie and Linda Bruchey of Westminster, MD. Sired by Palmyra Lochinvar Reynolds-ET, "Monroe" is out of an EX-90 "Burdette" dam with records to 4-00 365D 28,930M 4.2% 1210F 3.1% 905P and was named Unanimous All-American Summer Yearling in 2018.

Judge Wolf loved this class and followed with the second place fall calf for his Reserve Junior Champion. Grand-View Champ Dyna received this honor for her owners Jacob, Logan and Madison Harbaugh of Marion, WI. "Dyna" is sired by Cedarcut Colata's Champion and out of a VG-88 "Predator". The next dam is none other than Grand-View BBBK Dreamer, an 8th generation Excellent cow with over 147,000M lifetime.

The Foley Family from Quebec exhibited the Intermediate Champion who was first in the Jr. 3-Year-Old class. Vieux Village G Montana is sired by Duo Star Gentleman-ET and out of an EX-93 "Charleston".

Topping the Sr. 3-Year-Old class, Heineman Kingsire Cold Brew went on to claim the Reserve Intermediate Champion banner for her owner Angela Heineman-Fuller of Attica, NY. This EX-90 Bear-Ayr Distinct Kingsire daughter made 20,590M 4.2% 861F 3.2% 651P in 299 days at 2-04. Her dam is a VG-88 "Free Beer".

Heineman breeding was definitely in the spotlight in the cow classes, and the ultimate reward for their hard work came with the Grand Champion trophy! Heineman

Reagan Roz stole the show, also winning the 4-Year-Old class and Senior Champion title. "Roz" is an Excellent-92 Palmyra Berkely Reagan-ET daughter with records to 3-03 289D 25,490M 3.7% 942F 3.2% 808P. She is a two-time Unanimous All-American who was Reserve Grand Champion at the 2022 World Dairy Expo.

Old-Bankston JC Banner, the first place aged cow who is no stranger to the winner's circle, was presented with the Reserve Senior Champion and Reserve Grand Champion banners. "Banner", who is also a Reagan daughter, is Excellent-91 and a three-time Unanimous All-American in milking form. Her dam is Old-Bankston JC Bri's Bikini-ET, EX-94 3E with over 29,000M. Her granddam is Steam-Valley Wilton Magic Bri, EX-94 2E, with records to 32,000M. "Banner" is owned by Iager and Walton, Glamour View Farm, Walkersville, MD.

## International Junior Show

World Dairy Expo was also a special atmosphere for Ayrshire juniors as well with 106 animals owned by youth participating.

The Junior Champion was a flashy fall calf who was Reserve Junior Champion of the open show. Sired by Cedarcut Colata's Champion, Grand-View Champ Dyna is owned by Jacob, Logan and Madison Harbaugh of Marion, WI. This calf has lots of potential as her granddam is the 8th generation Excellent, Grand-View BBBK Dreamer.

The Reserve Junior Champion was the first place summer yearling, Bricker-Farms Champions Choice owned by Callen and Dawson Damrow and Abby Porte, Pocatello, ID. Another fancy "Champion" daughter, "Choice" comes from an elite pedigree herself. The granddam is Bricker-Farms Gibbs Carvela, now EX-95 with records to 6-06 305D 28,560M 3.3% 936F 2.6% 739P. "Carvela" was the 2022 All-American Lifetime Component Merit cow.

Judge Wolf selected the winning Sr. 3-Year-Old as his Intermediate Champion. Moy-Ayr Berkely Darling, EX-90, is sired by Palmyra Bendig Berkely-ET. Owned by Rebecca and Emily Schmidt of Delevan, WI, "Darling" was the 2022 Jr. All-American Sr. 2-Year-Old. Her dam is an EX-90 "Burdette".

Following in the Reserve Intermediate Champion slot was Sco-Lo Kingsire Boom-ET, the EX-91 first place Jr. 3-Year-Old and 2022 Res. All-American Jr. 2-Year-Old. She's sired by Bear-Ayr Distinct Kingsire and out of a VG-89 "Burdette". The next dam is Old-Bankston JC Bri's Bikini-ET, EX-94 3E with over 29,000M and many show accolades to her name. "Boom" is owned by Cael, Chase and Caden Cannon and Madalynn, Tyler and Kaitlynn Arnold, Dyersville, IA.

Anticipation for the Grand Champion naming rights grew all summer, and Toppglen Wishful Thinking-ET didn't disappoint her many fans! She won the Lifetime Component Merit class and Senior Champion honors as well. "Wishful Thinking" is now EX-95 with a top record of 9-00 305D 34,157M 3.7% 1270F 3.2% 1103P and has been named Unanimous All-American two times. She is owned by the Topp siblings and was exhibited by Logan Topp of West Salem, OH. The next dam is EX-93 4E with records to 30,000M.

The Reserve Senior Champion and Reserve Grand Champion was the winning Aged Cow who also commanded great respect in the show. Moy-Ayr Predator Lively, EX-94, is sired by Forever Schoon Predator-ET. She was the 2022 Jr. All-American 5-Year-Old, and has many generations of Excellent dams in her pedigree. Most notable is her fourth dam and former World Dairy Expo Grand Champion, Moy-Ayr Bonoparte Licorice, EX-92. "Lively" was exhibited by Rebecca and Emily Schmidt of Delevan, WI.

**GRAND-VIEW CHAMP DYNIA**

9-00 2 305D 34,157M 3.7% 1270F 3.2% 1103P

Junior Champion, 2023 Central National Jr.

Owned by Jacob, Logan & Madison Harbaugh, WI

Bred by Tim & Katie Busch, WI

*"We have worked with Tim and Katie Busch in the past; and when Dad and I were visiting the farm this past winter, I picked out Dyna right away. She had a lot of style and balance. She also has a great pedigree so we are confident she is going to continue to develop and hopefully grow into a great cow. Dyna is bred to Reynolds and due to calve next year. Our plan is for her to sell in Tim and Katie's dispersal sale, The Grand Finale at Grand View, next spring. On our operation, we work with about 15 heifers each year; and we enjoy working with good heifers regardless of the breed. The Ayrshires fit in very well with the other breeds. We have enjoyed their aggressiveness, but they are also fairly easy going and good to work with. We have also really enjoyed all the people we have met."*

- Logan Harbaugh

*\*\* This award was very special to the Harbaugh Family because it was given in memory of Mike Hellenbrand, a great supporter of World Dairy Expo and dairy youth. Logan credits Mike with being instrumental in introducing him to the colored breeds and working with high-caliber cattle.*

**TOPPGLEN WISHFUL THINKING, EX-95**

9-00 2 305D 34,157M 3.7% 1270F 3.2% 1103P

Grand Champion, 2023 Central National Jr.

Bred & Owned by Tanner, Brennan, Marissa & Logan Topp, OH

*"Wishing Thinking has been a special cow for us. She's the Complete Package with her ultra dairyness, strength, perfect feet and legs and tight udder for a cow her age. Her balanced frame and extreme dairyness are what you notice every day. She's due back next spring to Autograph or Reynolds. We used both to be sure we got a pregnancy. My goal in mating her is to use a bull that won't mess it up. So far my favorite mating has been Burdette. We have an Excellent Burdette daughter that is still going at eight years old. I like the Reynolds calves we have from her as well. We're going to keep working to breed the next great one from this cow family." - Tanner Topp*

Grand Champion, 2023 Mid-Atlantic National  
Owned by Kurt Wolf, IA & Michael Maier, WI  
Bred by Margot Farm, Canada

*"I found Precious on a Facebook post where the owner was advertising classification results. She was in the background, and I asked about her. I asked Michael Maier to partner on her. We brought her home and started marketing immediately. We've sold eight offerings so far, averaging just under \$10,000; and exported embryos back to Canada. She's a great cow and has done very well for us. If you make an effort, you can make money with Ayrshires. There's a lot of opportunity." - Kurt Wolf*

**HAYNES-FARM DAZZLE BANSHEE, EX-94 2E**

3-09 2 312 29,350M 3.2% 925F 3.1% 897P  
Grand Champion, 2023 Southern National  
Owned by Sara Pulver, VT, Lori Benson, NY & Molly Doty, NY  
Bred by Scott Haynes, NY

*"In 2017 we were looking to purchase some heifers to begin breeding from and for our niece/cousin, Molly Doty, to have to finish out her last few years as a Junior. Haynes-Farm Brachiosaurus, EX-92 2E, was purchased from the 2017 SUNY Cobleskill Dairy Fashions sale. We walked through the barn that morning and briefly looked at the fall yearling Ayrshire heifer consigned by fellow NY Breeder, Scott Haynes, and agreed she was a nice heifer and to keep an eye on her. When she came into the sale ring and her head came up and those ears came forward, we looked at each other and knew she was coming home with us. She had an undeniable ring presence and having known the Haynes family through the NY Ayrshire Breeders Club, we knew what a great herd she came from. Bonus, she was due to calve in as a milking yearling (All American Fall Yearling in Milk 2017) and the calf she was carrying was Haynes-Farm Dazzle Banshee EX-94 2E. Banshee showed as a Lifetime Component Merit Cow this year, jumping up from the 5 year old class with 5 calves. She is due back for June 2024 and is currently in an IVF program. Banshee has continued to achieve goals we hoped would happen in our lifetime. From purchasing her dam at a college sale to Reserve Supreme Champion at NAILE, it has been an incredible ride!"*

**RIDALE NEMO SERENITY, EX-95**

5-10 2 291D 23,300M 4.8% 1117F 3.7% 857P  
Grand Champion, 2023 Eastern States National  
Bred & Owned by Ryan & Marjorie Rida, MA

*"Serenity is special and unique in her outcross pedigree and breeding potential. We are excited about her daughters by Gentleman, Vicking, Bingo and SharpDressedMan. Her overall mass, dairy strength, front end capacity and width of rump is elite in our minds for the breed. Ryan was drawn to the dam, Shirley at the National sale in Kentucky and had his eye on her for a strong foundation cow to reach his dreams. It has been so fun and rewarding to watch Shrike (her maternal sister) and Serenity grow and develop right alongside each other and surpass our expectations while only continuing to get better. The achievement of the sisters winning Grand and Reserve alongside each other at the Big E this year was a beautiful accomplishment. Then for Serenity to earn the honor of virtual Supreme Champion of the show voted on by our peers, industry supporters and her admirers is a humbling and rewarding experience after recently classifying EX-95. It's been an incredible year." - Ryan & Marjorie Rida*

# Eastern Ayrshire Show

# States

Judge Adam Liddle sorted the 153 Ayrshires exhibited in the Eastern States National Ayrshire Show in West Springfield, MA.

Judge Liddle chose the winning winter calf, Blue-Spruce Reynolds Rosie, as his Junior Champion. "Rosie" is sired by Palmyra Lochinvar Reynolds-ET and is out of an EX-90 "Doublwhammy" dam with 2-04 305D 23,750M 3.8% 899F 3.2% 751P. The next dam is VG-88 with lifetime production of 127,240M 3.9% 5013F 3.2% 4132P. She was exhibited by Blue Spruce Farm Inc. of Bridport, VT.

The partnership of Sara Pulver, Lori Benson and Molly Doty, Argyle, NY exhibited the Reserve Junior Champion. SML Ring Beth Dutton topped the winter yearling heifer class. She's sired by Blue-Spruce Ringer, and her EX-92 2E "Dbl Barrel" dam has records to 4-09 305D 33,400M 3.6% 1194F 3.1% 1034P.

The leading pair in the Sr. 2-Year-Old class caught the judge's eye in his consideration for Intermediate Champion. Blue-Spruce Kingsire Seven-ET lead the Sr. 2-Year-Old class, and Judge Liddle awarded her the Intermediate Champion banner for owners Blue-Spruce Farm Inc. She's sired by Bear-Ayr Distinct Kingsire. She's following closely in her mama's footsteps as her dam is no stranger to the winner's circle. De La Plaine Bingo Stinger, EX-94 2E, was the Unanimous All-American 5-Year-Old in 2019 af-

ter winning Grand Champion and Reserve Supreme Champion honors at the World Dairy Expo. "Stinger" has records to 4-03 365D 30,144M 4.3% 1298F 3.1% 935P.

Blue-Spruce Farm Inc. also took home the Reserve Intermediate Champion award for their second place Sr. 2-Year-Old, Blue-Spruce Reagan Millie-ET. She's sired by Palmyra Berkely Reagan-ET, and her dam is an EX-91 Vicking daughter with records over 28,000M.

The Grand Champion and Reserve Grand Champion banners were awarded to herd mates owned by Ridale Genetics, Ryan and Marjorie Rida of Worthington, MA. In addition to winning the Grand Champion title, Ridale Nemo Serenity-ET, EX-94 2E was the winning Lifetime Component Merit cow and Senior Champion. She is sired by Beau Lac Nemo-ET and out of Geminaecho Showstar Shirley. "Serenity" has previously been All-American and Reserve All-American. Ridale Burdette Shique-ET, EX-93 2E was Reserve Grand Champion, Reserve Senior Champion, and winning Aged Cow. "Shique" has also previously claimed All-American honors.

## Eastern States National Junior Show

Junior exhibitors were recognized throughout the show by stepping forward in the final class line-ups. Judge Liddle was smitten with the winter yearling heifer, and named her Junior Champion of the junior show.

Auburn-Star Ringer Audora was exhibited by Liviya Russo of Lunenburg, VT. She's sired by Blue-Spruce Ringer and out of a Lochinvar dam.

The top winter calf was named Reserve Junior Champion. Sarah Hill of Bristol, VT exhibited Four-Hills Player Delight 70409. A Margot Player-ET daughter, "Delight" is out of a VG-86 "Gibbs" dam.

The winning Jr. 2-Year-Old, Silver-Lane Reagan's Brandy, was presented with the Intermediate Champion award and later in the show the Reserve Grand Champion banner. Matthew Small of Huntington, MA exhibited this Palmyra Berkely Reagan-ET daughter. Danyelle Trinkle of Buskirk, NY exhibited the Reserve Intermediate Champion. Another "Reagan" daughter, Trinkle Farms PBR Pretty Girl was also the first place Sr. 2-Year-Old.

Making her way into the Grand Champion spotlight was the Senior Champion and first place Aged Cow exhibited by Keenan Thygesen of VT. Shaker Hollow Dbl Barl Elysia is scored EX-94 and sired by Family-Af-Ayr Rem Dbl Barrel-ET. Her dam is an EX-92 "Blackjack" daughter.

The winning 4-Year-Old was named Reserve Senior Champion and was exhibited by Liviya Russo of Lunenburg, VT. Auburn-Star Vicking Ulani is sired by De La Plaine Vicking-ET. Her dam is a VG-86 "Masterpiece" daughter.

## Ayrshire Show

The All-American Dairy Show in Harrisburg, PA once again hosted the Mid-Atlantic National Ayrshire Show in a first-class event! Judge David Hanson was presented with 115 quality Ayrshires for his consideration.

The winning winter yearling, Jackson-Hill Ringer Beemer, took center stage in the Junior Champion winner's circle. She is sired by Blue-Spruce Ringer, and her dam is a VG-86 Jackson-Hill Pedro Outlaw daughter. "Beemer" was exhibited by Jeff Atherton of Greenwood, NY.

It was a good day for Jackson-Hill Farm and the Atherton Family as they took Reserve Junior Champion honors with their spring yearling as well. Jackson-Hill Joan Jett is sired by Ruisseau Clair Tuxedo-ET. Her dam is a Palmyra Bendig Berkely-ET daughter.

Judge Hanson had a pattern in mind for his Intermediate Champions when he selected herd mates exhibited by the Wolf Family of Epworth, IA. The winning Jr. 3-Year-Old, Old-N-Lazy KS Madalynn-ET, was named Intermediate Champion. She's a VG-89 Bear-Ayr Distinct Kingsire daughter out of Sharwards Calimero Meagan, EX-94 3E. "Megan" is a house-hold name with over 139,000M lifetime and four-time All-American status. "Madalynn" is owned by Ted and Kurt Wolf.

The Reserve Intermediate Champion award went to the top Sr. 3-Year-Old, Palmyra Lochinvar B Rejoice-ET. This VG-88 Libby's Lochinvar daughter is owned by the partnership of Wolf, Tews and Linke. Her dam is the EX-94 2E Palmyra Berkely P Ruth-ET who was a three-time Unanimous

All-American and two-time World Dairy Expo Grand Champion. "Rejoice" was the Unanimous All-American Sr. 2-Year-Old in 2022.

The finale of any great show is the naming of the Grand Champion, and this show was no exception. Judge Hanson went with his proven Senior Champions in his selections for Grand and Reserve Grand Champions. Bragging rights went to Margot Precious, the first place 4-Year-Old owned by Kurt Wolf, Epworth, IA and Mike Maier, Stitzer, WI. "Precious" is now EX-93, has production over 28,000M and is sired by Palmyra Berkely Reagan-ET. Her dam is Margot Patagonie, EX-95, who was All-American and All-Canadian with records to 8-00 349D 26,654M 4.6% 1232F 3.7% 977P.

The Reserve Grand Champion was awarded to Miss Malibu Mimosa, the winning 5-Year-Old owned by the partnership of Wolf, Burns and Cole. "Mimosa" has been a fan favorite for years and has earned Reserve All-American three times in milking form. She's an EX-93 Palmyra Berkely Reagan-ET daughter with records over 30,000M. Her "Predator" dam, Old-Bankston JC Malibu-ET, is EX-94 2E. "Mimosa" traces back to Valevue BBK Minerva, EX-96 2E, five-time All-American and three-time World Dairy Expo grand champion.

### Mid-Atlantic National Junior Show

Junior exhibitors were given the opportunity to present 76 animals to Judge Carla Stetzer for her inspection.

Anna Campagnari of Woodbine, MD had a great experience with her lease project whom Judge Stetzer nudged into the Junior Champion slot. Maple-Dell Reynolds Dale

was the winning fall calf. She is sired by Palmyra Lochinvar Reynolds. Her dam is an EX-90 "Champion" daughter with over 20,000M at 2-00. Cadin Valentine of Thurmont, MD showed his winning fall yearling to become the Reserve Junior Champion. Vales-Pride Jazz Expression is sired by Stil-Dreamn Wilton Jassmeister-ET, and her dam is a "Vicking" daughter.

Vales-Pride Prime Rickle, owned by Gavin Valentine of Thurmont, MD, topped the Jr. 2-Year-Old class prior to being presented with the Intermediate Champion and Reserve Grand Champion banners. "Rickle" earned a name for herself last year as the Jr. All-American Spring Yearling. She is sired by De La Plaine Prime. Her "Burdette" dam is EX-93 3E with over 130,000M lifetime.

Judge Stetzer stuck with her Jr. 2-Year-Old pair of cows, and named the second place class winner as the Reserve Intermediate Champion. Shultz Reagan Fantasy, VG-86, was exhibited by Karlie Supplee of Chambersburg, PA. She is sired by Palmyra Berkely Reagan-ET, and her EX-90 dam is a Terrace Bank Free Beer-ET daughter.

Ashton Wilcox of Varysburg, NY exhibited the Grand Champion of the show. Jackson-Hill Champ Balboa, EX-90, was Senior Champion and also won the blue ribbon in the 4-Year-Old class. She is sired by Cedar-cut Colata's Champion and out of a VG-86 Jackson-Hill Pedro Outlaw.

The second place 4-Year-Old, Shultz Kings J-Lo-ET, was named Reserve Senior Champion. This Bear-Ayr Distinct Kingsire daughter is classified VG-87 and is out of an EX-91 "Dreamer" dam. "J-Lo" was shown by Karlie Supplee, Chambersburg, PA.

# Southern National Ayrshire Show

AYRSHIRE

In a split show with cows being exhibited on Sunday, November 5 and heifers shown on Monday, November 6, a total of 115 animals stepped onto the green shavings at the Southern National Ayrshire show. As part of the 50th Anniversary of the North American International Livestock Expo, this was a special event for all who attended. This year's show was judged by Matt Hawbaker from Clear Spring, Maryland.

Junior Champion of the open show went to the first place summer yearling, B3-Ayr Tux Wilma owned by Christy Ratliff, Garnett, KS. "Wilma" is a Ruisseau Clair Tuxedo daughter out of VG-88 B3-Ayr Reagan Wonder. "Wonder" has a record of 2-11 305D 20,340M 4.1% 824F 3.4% 689P.

Sarah Hill from Bristol, VT exhibited the Reserve Junior Champion. Judge Hawbaker selected Hill's winter calf, Four Hills Player Delight 70409 to take this title. "Delight" is a Margot Player daughter out of VG-86 Four-Hills Gibbs Dee 6010-ET. "Dee" has a high production record of 1-11 316D 2,0020M 3.6% 712F 2.9% 590P. Her dam is River-Valley Salute Deedra, EX-93 4E.

The winning Senior 3-Year-Old cow was selected as Intermediate Champion and Reserve Grand Champion. Moy-Ayr Berkely Darling was exhibited by Rebecca and Emily Schmidt from Delavan, WI. "Darling" as also named Intermediate Champion and Reserve Grand Champion at the Midwest National Jr show earlier this year. ## Southern National Junior Show Results

The Southern National Junior show was held on Saturday November 4, 2023 as part of the North American International Livestock Expo. Judge Mike Hickman of Shelbyville, TN placed the 81 animals exhibited by junior exhibitors.

After an impactful winter calf class, Fireball Miss Sybelle was selected as the Junior Champion. She is a Marlie Autograph daughter out of an Excellent-91 2E Gentleman. The next dam is VG-85. "Sybelle" was exhibited by Carter and Addison Major of Lebanon, TN.

Continuing in the winter calf class, Four Hills Player Delight 70409 was named the Reserve Junior Champion. She was also named Reserve Junior Champion at East-

ern States National Junior show this year. "Delight" is a Margot Player daughter out of the VG-86 Four-Hills Gibbs See 6010-ET shown by Sarah Hill of Bristol, VT. The next dam is an Excellent-93 4E "Salute" daughter.

The Senior 3-Year-Old cow was then selected as Intermediate Champion. Moy-Ayr Berkely Darling was exhibited by Rebecca and Emily Schmidt from Delavan, WI. "Darling" was also named Intermediate Champion and Reserve Grand Champion at the Midwest National Jr show earlier this year. She is a Palmyra Bendig Berkely daughter out of Maple-Dell Burdette Daria-ET, EX-90. "Darling" goes back to the world renowned Maple-Dell Zorro Dafourth, EX-95 2E.

Staying in the 3-Year-old classes, Judge Hickman selected the Junior 3-Year-Old Wingert's Bigtime Journey for Reserve Intermediate Champion. She is a daughter of Marbrae Bigtime and the EX-91 2E Wingerts YB Gibbs Jule. "Journey" was exhibited by Eva Gilmore, Bradenton, FL.

The Senior Champion and Grand Champion honors went to the first placed aged cow, EX-94 Moy-Ayr Predator Lively. She was exhibited by Rebecca and Emily Schmidt from Delavan, WI. "Lively" also claimed the Grand Champion title at both the Central National and Midwest National junior shows earlier this year. She is a Forever Schoon Predator daughter out of Moy-Ayr Modesto Lillian, EX-90.

Lazy M Distinct Reason took home the Reserve Senior Champion and Reserve Grand Champion award. "Reason" is an EX-90 Family-Af-Ayr Distinction daughter out of Lazy M Prime Raindance, EX-92 with records over 27,000M. She was exhibited by Georgia Hazel and Forest, Kolbie and Kason Ozburn, Lewisburg, TN.

Auctioneer Lynn Lee and Pedigree Reader Kaleb Kruse in the box.

why this cow peaked his interest. He said, "I knew when I saw her that I wanted her. She's such an impressive cow, and I know my kids are going to have a good experience showing her."

Hall's V-Lane Spectacle-ET followed, selling for \$9,900 for consignors Hall's Ayrshires and V-Lane Farm of Cushing, OK. She is a Reynolds daughter out of the well-known Mowry's Burdette Summer, EX-95, and 3x Unanimous All-American with records over 35,000M. "Summer" has a huge following of supporters who love her massive frame, strength and dairyness, so it was no surprise to anyone that her daughter would command respect at the sale. "Spectacle" was purchased by Levi and Ashton Wilcox of Narysburg, NY.

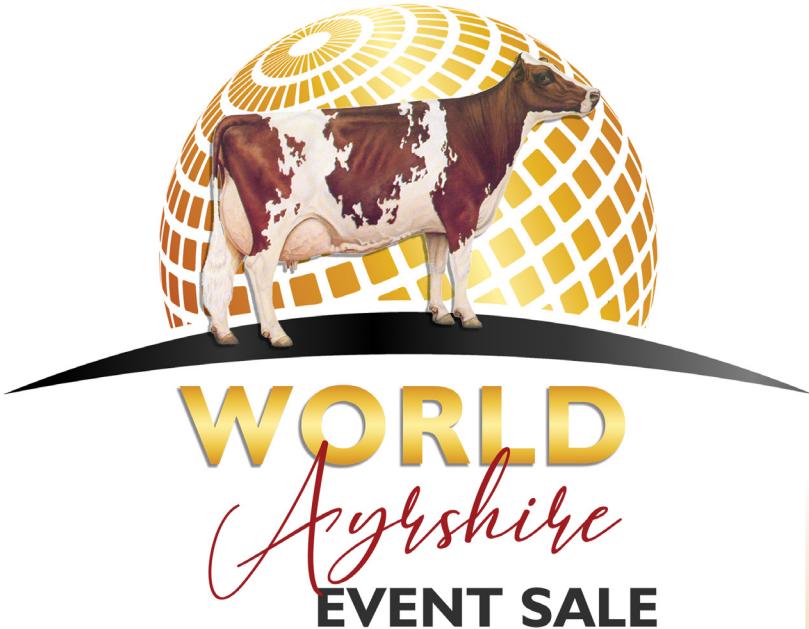

The four picks of flushes averaged \$6,463. The high selling pick of flush was the Burdette x Toppelen Wishful Thinking group of calves born in September 2023. "Wishful" is an EX-94 2x All-American with records to 9-00 305D 34,157M 3.7% 1270F 3.2% 1103P. The gavel struck off at \$9,000 with Jesse and Kiley Muse of Etoile, KY as the winning bidders.

A pick of flush of Reynolds or Kingsire x Carvelia was consigned by the Bricker Family of Salem, OH and sold for \$7,000 to Jeremy and Monica Schwittay of Peshtigo, WI. "Carvelia" is no stranger to the colored shavings. She's EX-95, was the All-American Component Merit Cow in 2022 and has records over 32,000M.

Four packages of embryos sold with an average of \$836 per embryo. The top selling embryos for \$1,050 per embryo were also out of "Carvelia". Peter Vail of Englewood, FL consigned the embryos sired by Distinction. Rhonda Winkler of Woodbine, MD was the buyer.

Mowry's Burdette Summer, EX-95, took center stage again when her Barclay embryos sold. The embryo package was consigned by Gene Hall Jr. of Cushing, OK. Jeremy and Monica Schwittay of Peshtigo, WI are the new owners of the embryos with the final bid of \$950 per embryo.

Lynn Lee of Smyrna, TN was the auctioneer and Kaleb Kruse of Dyersville, IA read pedigrees.

**MADISON, WI OCTOBER 1, 2023**

The World Ayrshire Event Sale marked yet one more notch on the proverbial belt for the Ayrshire breed during the 2023 World Dairy Expo! What an awesome week to showcase the best the breed has to offer. The sale, held on October 1st in Madison, WI, yielded the highest average to date for this promotional sale. Thanks to the consignors, buyers and marketing committee for supporting this great Ayrshire event.

Ten live animals sold with an average of \$5,860. The high seller was Lot 1, the Reagan Sr. 3-Year-Old consigned by Steve McDonald of Princeton, IL. McDonald is known for consigning the best he has to offer, and this year surely didn't disappoint! Marilie Reagan Mertie-ET was fresh in July and projected to over 21,000M. She has a pedigree with generations of show winners and high type. "Mertie" sold for \$10,200 to Braxton, Easton and Kashton Steinlage of Lawler, IA. Jason Steinlage was asked
